- APPENDIX “C”** – Stalking Horse Agreement
- APPENDIX “D”** – SISF Procedures

I. INTRODUCTION

1. On April 28, 2026, the Ontario Superior Court of Justice (the “**Court**”) granted an order (the “**Receivership Order**”) appointing Richter Inc. (“**Richter**”) as the receiver and manager (in such capacity, the “**Receiver**”) without security, of all of the assets, undertakings and properties of Synaptive Medical Inc. (“**Synaptive**”) used in relation to a business carried on by Synaptive (the “**Business**”), including all proceeds thereof (collectively, the “**Property**”). A copy of the Receivership Order and the Endorsement of Justice Dietrich is provided in **Appendix “A”**.
2. Synaptive is a privately held medical device and technology company specializing in hardware and software products focused on surgical planning and navigation, robotic digital microscopy, and magnetic resonance imaging. Synaptive is incorporated pursuant to the *Business Corporations Act* (Ontario) with its registered office in Mississauga, Ontario. Synaptive’s assets also include a global intellectual property portfolio made up of patents, licenses, trademarks, and trade secrets.
3. Export Development Canada (“**EDC**”), the senior secured creditor of Synaptive, applied to appoint Richter as Receiver (“**Receivership Application**”). EDC is the largest secured creditor of Synaptive, as more fully detailed below.
4. The Receivership Order, among other things:
 - a) Stayed all proceedings as against Synaptive, with the exception of the pending WEPPA Dispute (as defined in the Pre-Filing Report, as defined below);
 - b) Empowered and authorized the Receiver to market, solicit offers for and sell the Property, with the Court’s approval;

- c) Authorized the Receiver to take possession of and exercise control over the Property and to terminate employees; and
 - d) Borrow funds on a super-priority basis under Receiver's certificates, secured by the Receiver's Borrowings Charge (as defined in the Receivership Order), in an amount not to exceed \$400,000.
5. Richter filed a pre-filing report dated April 27, 2026 (the "**Pre-Filing Report**") with the Court prior to the commencement of the receivership proceedings. The Pre-Filing Report, EDC's Receivership Application materials and the Receivership Order are available on the Receiver's case website at: <https://www.richter.ca/insolvencycase/synaptive-medical-inc/> (the "**Case Website**").

II. PURPOSE OF REPORT

6. This first report (the "**First Report**") is filed by Richter in its capacity as Receiver. The purposes of the First Report are to:
- a) provide background information about Synaptive and its creditors;
 - b) describe the activities of the Receiver since the date of the Pre-Filing Report;
 - c) summarize the terms of a subscription agreement (the "**Stalking Horse Agreement**") between a company owned by a group of former Synaptive management employees, 1001599818 Ontario Inc. (the "**Stalking Horse Bidder**"), and the Receiver dated May 7, 2026 for an investment in Synaptive which, subject to the approval of this Court, would act as the stalking horse bid (the "**Stalking Horse Bid**") in a sale and investment solicitation process in respect of the Business and/or Property (the "**SISP**");
 - d) describe the proposed terms of the SISP, including the related bidding procedures (the

“SISP Procedures”);

- e) describe the additional proposed funding of up to \$1 million to fund the Receivership and SISP, which funding is to be provided by the Stalking Horse Bidder on a super-priority basis, subject to the terms described herein (the “**Stalking Horse Bidder’s Funding**”); and
- f) recommend that the Court issue orders, *inter alia*:
 - i. approving the Stalking Horse Agreement, solely for the purposes of being the Stalking Horse Bid in the SISP, provided that if the Stalking Horse Bidder is the successful bidder, completion of the transaction contemplated by the SISP will be subject to the Court’s approval, upon a further motion by the Receiver;
 - ii. approving the SISP, including the SISP Procedures;
 - iii. approving the Stalking Horse Bidder’s Funding and granting a super-priority charge on the Property to secure advances thereunder in accordance with the terms described herein;
 - iv. approving modifications to the Receivership Order to facilitate priority charges necessary to carry out the SISP; and
 - v. approving the Pre-Filing Report, the First Report, and the activities of the Receiver as described in each.

III. TERMS OF REFERENCE

- 7. In preparing this First Report and making the comments herein, Richter has been provided with, or has relied upon certain unaudited, draft, or internal financial information, Synaptive’s records, financial information and projections prepared by Synaptive,

discussions with Synaptive’s management and information from other third-party sources (collectively, the “**Information**”). It should be noted that the majority of the Information was obtained by Richter in its role as Monitor during the CCAA Proceedings, which role is discussed further below. Richter obtained further Information in its subsequent role as Financial Advisor, which role is discussed in the Pre-Filing Report.

8. The Receiver has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. The Receiver has not audited, reviewed, or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards (“**CAS**”) pursuant to the Chartered Professional Accountants Canada Handbook, and accordingly the Receiver expresses no opinion or other form of assurance in respect of the Information.
9. This First Report should be read in conjunction with the Pre-Filing Report and the Affidavit of Jessica Markic dated April 24, 2026 (the “**Markic Affidavit**” and together, the “**Previous Materials**”). Capitalized terms used and not defined in this First Report have the meanings given to them in the Previous Materials, as applicable.
10. Unless otherwise stated, all monetary amounts noted herein are expressed in Canadian dollars.

IV. BACKGROUND

Overview of Synaptive’s Business and Prior CCAA Proceedings

11. Synaptive first ran into a liquidity crisis in March 2025. Its R&D and intellectual property-heavy cost structure was not supported by its sales, leading to a significant drain on its cash position. Market uncertainty caused by trade tensions and the threat of tariffs made for challenges in accessing additional funding, which eventually led to Synaptive’s default

under one of its key loan facilities.

12. On March 19, 2025, following ongoing liquidity issues and defaults, Synaptive (in such capacity, the “**Applicant**”) was granted protection under the *Companies’ Creditors Arrangement Act*, RSC 1985, c C-36, as amended (the “**CCAA**” and the proceedings being the “**CCAA Proceedings**”), and Richter was appointed as monitor (in that capacity, the “**Monitor**”). Richter maintains a website with the CCAA Proceedings at <https://www.richter.ca/insolvencycase/synaptive-medical-inc/>.
13. On March 26, 2025, the Court issued a SISP Approval Order in the CCAA Proceedings which, among other things, authorized the Applicant to conduct a sale and investment solicitation process (“**CCAA SISP**”) to be run by the Monitor, to identify a restructuring, sale or reorganization transaction in respect of the property and/or business of the Applicant in accordance with the procedures, terms and conditions attached thereto. The CCAA SISP is described in more detail in the Markic Affidavit at paragraphs 23-27 and in the Third Report of the Monitor in the CCAA Proceedings (the “**Third CCAA Report**”), a copy of which is attached (without appendices) at **Appendix “B”**. Specific details about the CCAA SISP are also summarized in the section below.
14. The CCAA SISP was a two-stage process that concluded with a sale (the “**Transaction**”) to 1001253954 Ontario Inc. (the “**Purchaser**”). On June 18, 2025, Synaptive obtained an Approval and Reverse Vesting Order approving the Transaction, which subsequently closed on June 26, 2025. On closing, Synaptive was removed as an applicant in the CCAA Proceedings.
15. The Transaction, among other things, required Synaptive to issue new promissory notes to the holders of certain senior and junior secured debt instruments. EDC’s previous senior

secured credit was reissued as a new senior rollover note in the amount of US \$6,000,000 at an interest rate of 8.0% per annum (described in more detail below), and the junior noteholders were issued rollover notes in the principal amount of US \$14,000,000 (described in more detail below) which was allocated on a *pro rata* basis among the holders of Synaptive's senior debentures, with approximately 80% allocated to EDC and approximately 20% allocated to the other debenture holders.

16. Unfortunately, Synaptive's Business did not fully recover following its exit from the CCAA Proceedings. The Transaction contemplated a significant post-closing investment that did not occur, which left the Business short on critical working capital. Synaptive ran into further liquidity issues in March 2026 and defaulted on its obligations under the Notes (as defined below) as follows:
 - a) Synaptive delivered a Cash Flow Forecast to EDC on March 26, 2026 that projected that Synaptive would deplete its cash reserves in or around the week of April 17, 2026;
 - b) On or around April 16, 2026, Synaptive admitted in writing that it would be unable to meet its ongoing payroll obligations and would furlough the majority of its employees by April 17, 2026;
 - c) On or around April 17, 2026, Synaptive did in fact furlough 90 of its employees, leaving only four to maintain baseline operations; and
 - d) Since April 17, 2026, all of Synaptive's directors have resigned.
17. On April 17, 2026, EDC delivered demand notices and notices pursuant to *BIA*, s 244. Synaptive waived the ten-day notice period and consented to this Receivership.

V. SYNAPTIVE'S CREDITORS

Secured Creditors

18. Synaptive is indebted to EDC pursuant to the following:
- a) a senior secured promissory note between Synaptive and EDC (the "**Senior Note**"), pursuant to which Synaptive agreed to pay EDC the principal amount of US\$6,000,000, together with interest at a rate equal to 8.00% per annum;
 - b) a junior secured promissory note between Synaptive and EDC (the "**EDC Junior Note**" and together with the Senior Note, the "**Notes**"), pursuant to which Synaptive agreed to pay EDC the principal amount of US\$11,420,380.87, together with interest at a rate equal to 8.00% per annum; and
 - c) additional junior secured promissory notes (the "**Additional Junior Notes**") between Synaptive and certain prior debenture holders of Synaptive, pursuant to which Synaptive agreed to pay such additional junior noteholders, in the aggregate, the principal amount of US\$2,579,709.14, together with interest at a rate equal to 8.00% per annum. The Additional Junior Notes rank *pari passu* with the EDC Junior Note.
19. As of April 28, 2026, Synaptive's obligations to its secured noteholders (inclusive of interest and EDC's costs) were:
- a) pursuant to the Senior Note, the total amount of US\$6,412,931.51;
 - b) pursuant to the EDC Junior Note, the total amount of US\$12,206,353.38; and
 - c) pursuant to the Additional Junior Notes, the total amount of US\$2,757,249.67,
- on which amounts fees, costs, expenses, and interest have accrued and will continue to accrue until the Notes and Additional Junior Notes are paid in full.

20. The Receiver also obtained a Security Review from its counsel, which is attached to the Pre-Filing Report at Appendix A. The Security Review indicated that, following a search of the PPR for registrations with respect to Synaptive, other parties had registered financing statements in certain personal property of Synaptive, including registrations in favour of:
- a) De Lage Landen Financial Services Canada Inc. and Hewlett-Packard Financial Services Canada Company, which appear to relate to financing or lease arrangements involving computers, software, or related IT assets and in one case, a forklift;
 - b) Royal Bank of Canada (“**RBC**”), which relates to Synaptive’s credit card facility (“**RBC Credit Cards**”); and
 - c) Constantine Zachos, which is not effective as it was discharged pursuant to an Approval and Reverse Vesting Order granted by the Ontario Superior Court of Justice (Commercial List) dated June 18, 2025.
21. The RBC Credit Cards are secured by certain RBC GIC deposit accounts. The Receiver has consented to RBC setting off the balance on the RBC Credit Cards against the amounts held in deposit, with the balance to be returned to the Receiver.
22. Further details of the secured interests are set out in search summary attached as Schedule “D” to the Security Review.

Landlords

23. Synaptive leases two industrial/commercial facilities in Ontario from which it operates: one in London and one in Mississauga.
24. The London facility, located at 15875 Robin’s Hill Road, has a rentable area of

approximately 6,050 square feet, is used for industrial activities, and the lease expires on July 31, 2028.

25. The Mississauga facility, located at 5055 Satellite Drive, has a rentable area of approximately 54,787 square feet, is used for warehousing, manufacturing, and research and development of medical devices, and the lease expires on September 30, 2034.

Warehousing Agents

26. On April 29, 2026, the Receiver received an updated notice from Alexander Holburn LLC, counsel to Pacer Air Freight Ltd. (“**Pacer**”), advising that Pacer is in possession of, and providing warehouse services for, approximately 40 pallets of goods, including MRI units and other medical equipment. Pacer is claiming accrued debt of approximately \$1,779,400, in respect of which they claim a general contractual lien against the goods in storage.
27. On April 8, 2026, Synaptive and Pacer agreed to settle the amount owing for \$900,000 and were in the process of discussing the delivery of the goods. The parties entered into a Tolling Agreement on April 23, 2026, effective April 9, 2026.
28. In addition to inventory held at Pacer, Synaptive also holds inventory at Apple Express located in Mississauga. The Receiver has advised Apple Express of the Receivership and has provided instructions that no assets are to be moved, sold or shipped without the express written consent of the Receiver.

VI. INITIAL STEPS FOLLOWING THE RECEIVERSHIP ORDER

29. Since the Receivership Order was granted on April 28, 2026, the Receiver has worked with Synaptive to carry out the following tasks:

- a) attending before the Court in respect of the Receivership Application;
- b) communicating with, and responding to inquiries from, various stakeholders of Synaptive, including the Landlords, Pacer and Apple Express as warehousing agents, and certain creditors and former employees of Synaptive;
- c) terminating employees and communicating with said terminated employees regarding the Wage Earner Protection Program;
- d) entering into short-term hourly contracts with six (6) former employees of Synaptive who are required to perform certain accounting and patent maintenance functions as independent contractors;
- e) entering into a short-term weekly contract (convertible to hourly at the Receiver's discretion) with an employee of Synaptive's sister company, Synaptive USA Inc., to provide additional accounting and finance support;
- f) posting Receivership notices on the doors and arranging for the changing of locks at Synaptive's London and Mississauga locations, and changing the alarm codes at the Mississauga location;
- g) reviewing the inventory and fixed assets with former management of Synaptive including documenting material assets (including pictures and videos);
- h) arranging for balances in Synaptive's bank accounts to be held for "deposit only" and commencing arrangements for the transfer of funds therein to the Receiver's accounts;
- i) communicating with various service providers including utility providers, employee benefit providers and insurance companies;
- j) coordinating with Opsia Inc. to back up of Synaptive's records including IP assets, data

- and code;
- k) arranging for continuation of patent renewals, payment of fees and other IP maintenance actions;
 - l) communicating with various stakeholders regarding third party property, reviewing related claims and arranging for return of property where appropriate;
 - m) with the assistance of McMillan negotiating the terms of the Stalking Horse Bid;
 - n) preparing to advance the SISP, including:
 - preparing an initial list of Potential Bidders;
 - populating the Data Room;
 - preparing the Teaser Letter; and
 - preparing a notice of the SISP to appear in the Globe and Mail (National Edition) and Canada Newswire;
 - o) engaging in discussions with EDC and its counsel Fasken Martineau Dumoulin LLP with respect to receivership activities, negotiation of the Stalking Horse Bid and development of the SISP;
 - p) coordinating the posting of Court-filed documents to the Case Website;
 - q) preparing the notice requirements pursuant to the Receivership Order, including, among other things, arranging for notice of the Receivership, in the prescribed manner, to be emailed or mailed on May 7, 2026 to each known creditor having a claim against Synaptive of more than \$1,000; and
 - r) with the assistance of McMillan LLP, counsel to the Receiver, preparing this First

Report.

Stalking Horse Bidder's Funding and Required Amendments to the Receivership Order

30. The existing Receivership Order provides for the following super-priority charges:
- a) **Receiver's Charge:** a super-priority charge against all of the Property to secure payment of the Court-approved fees and disbursements of the Receiver and its legal counsel; and
 - b) **Receiver's Borrowings Charge:** a super-priority charge (ranking only after the Receiver's Charge) against the Property, to secure repayment of any amount borrowed by the Receiver pursuant to the Receivership Order.
31. The Receiver is permitted to borrow amounts up to \$400,000 under the Receiver's Borrowings Charge. As of the date hereof, the Receiver has borrowed \$100,000 from EDC pursuant to a Receiver's Certificate dated April 29, 2026.
32. In connection with the offer made under the Stalking Horse Bid, the Stalking Horse Bidder has offered the Stalking Horse Bidder's Funding in an amount up to \$1,000,000 to be used by the Receiver to fund (i) the Receivership Proceedings, (ii) certain required patent and Business maintenance costs and (iii) the implementation of the SISP. Interest accrues at a rate of 8.0% *per annum*.
33. The additional terms of the Stalking Horse Bidder's Funding include:
- a) Advances are to be secured on a super-priority basis by a second Receiver's Borrowings Charge (the "**Second Receiver's Borrowings Charge**") behind the Receiver's Charge and the existing Receiver's Borrowings Charge (the "**First Receiver's Borrowings Charge**," together with the Second Receiver's Borrowings

Charge, the “**Receiver’s Borrowings Charges**”);

- b) No further advances are to be made under the First Receiver’s Borrowings Charge;
 - c) In the event that the Stalking Horse Bidder is selected as or deemed to be the Successful Bid (as that term is defined in the SISP) and the Transaction contemplated by the Stalking Horse Agreement does not close by reason of the breach or default of the Stalking Horse Bidder, the Second Receiver’s Borrowing Charge will be subordinated and postponed to the obligations owed to EDC under the Senior Note;
 - d) The Stalking Horse Bidder’s Funding will be advanced subject to a cash flow forecast between the Stalking Horse Bidder and the Receiver;
 - e) Upon the occurrence of an Event of a Default, the Stalking Horse Bidder’s Funding may be terminated but no enforcement action may be taken by the Stalking Horse Bidder while the SISP is underway; and,
 - f) The Receiver has provided other customary covenants in respect of the Stalking Horse Bidder’s Funding and use of proceeds.
34. The Stalking Horse Bidder’s Funding is necessary to ensure the Business is maintained and to provide adequate funding for the Receiver to implement the SISP. EDC has advised that it will not provide funding to advance a SISP. Accordingly, absent the Stalking Horse Bidder’s Funding, the Receiver would be forced to pivot to a liquidation.
35. In order to implement the Stalking Horse Bidder’s Funding, the Receiver is seeking to amend and restate the Receivership Order to include the following:
- a) Approval of the Stalking Horse Bidder’s Funding;
 - b) The granting of the Second Receiver’s Borrowings Charge in favour of the Stalking

Horse Bidder with the priorities set out above; and

- c) Clarifying the definition of the existing Receiver's Borrowings Charge as the "First Receiver's Borrowings Charge" in the Receivership Order.

36. A blackline showing the proposed changes to the Receivership Order is attached to the Receiver's Motion Record.

VII. PROPOSED SISP AND STALKING HORSE AGREEMENT

Stalking Horse Agreement

37. The Receiver entered into discussions with the Stalking Horse Bidder immediately following its appointment to confirm their interest in acquiring the Business and to negotiate an appropriate Definitive Agreement (as defined below).
38. Following a short negotiation period and, in consultation with EDC, the Receiver entered into the Stalking Horse Agreement. The Stalking Horse Agreement provides for a baseline or floor offer for the acquisition of the Business, but provides the Receiver with the opportunity to see if a higher offer can be achieved.
39. If the Court approves the Stalking Horse Agreement and the SISP, the Receiver will market the Property and investment opportunity for an abridged marketing period of approximately 24 days to determine if there are any better bids. A copy of the Stalking Horse Agreement is attached as **Appendix "C"**.
40. The key terms and conditions of the Stalking Horse Agreement are summarized below. All defined terms in the following section are as defined in the Stalking Horse Agreement.
 - a) **Purchase Consideration:** the consideration to be paid is:
 - cash consideration (the "**Cash Consideration**") equal to all advances

under the Receiver's Charge and Receiver's Borrowings Charges plus a reserve amount (together, the "**Receiver's Expense Reserve**") to be held by the Receiver for the payment of post-closing expenses and for the beneficiaries of the Receivership Charges (as defined therein),

- a working capital injection into Synaptive equal to \$5 million, less the Cash Consideration,
- a credit bid of all amounts secured by the Second Receiver's Borrowings Charge, and
- issuance of the senior secured Rollover Note to EDC in the amount of US\$6,000,000 at an interest rate of 8.0% per annum, secured on all other debt, other than purchase money security interest security on equipment, on the terms set out in Schedule J;

- b) **Representations and Warranties:** there are limited representations and warranties by the Receiver in article 4.1 regarding the Receiver's authority to carry out the transaction on Synaptive's behalf. The Stalking Horse Bidder is acquiring the Subscribed Shares and the Business on an "as is, where is" basis pursuant to article 4.4. Following Closing, the Subscribed Shares shall constitute all of the issued and outstanding Equity Interests in the capital of Synaptive and the Stalking Horse Bidder will be the sole registered and beneficial owner of the Subscribed Shares, with good and valid title thereto, free and clear of all Encumbrances, in accordance with the Approval and Reverse Vesting Order (once obtained);
- c) **Included Assets:** all Property, including Intellectual Property and Material Permits and

Licenses as set out in the Schedules F and G to the Stalking Horse Agreement.

- d) **Excluded Assets:** a) all rights, covenants, obligations and benefits in favour of ResidualCo (to be incorporated) under the Stalking Horse Agreement that survive Closing; and b) those assets listed in Schedule C;
- e) **Excluded Contracts:** all Contracts that are not Retained Contracts, including those Contracts listed in and as set out in Schedule D;
- f) **Excluded Liabilities:** all pre-filing Claims against Synaptive, including any amounts owing in respect of Taxes; all Claims relating to or under the Excluded Contracts and Excluded Assets; Liabilities for terminated employees in each case, other than Assumed Liabilities, including, among other things, the non-exhaustive list of those certain Liabilities as set out in Schedule E;
- g) **Closing:** closing will occur pursuant to the Closing Sequence set out in Article 6, or such other date as determined by the Receiver, acting reasonably; and
- h) **Termination:** The Stalking Horse Agreement can be terminated, among other things:
 - a) upon mutual written agreement of the Receiver and Purchaser; b) by the Receiver, if any condition contained in Article 8.1 of the Stalking Horse Agreement is not fulfilled on or prior to Closing and such non-fulfillment is not directly or indirectly as a result of any action or omission of the Receiver; c) by the Purchaser, if any condition contained in Article 8.1 of the Stalking Horse Agreement is not fulfilled on or prior to the Closing and such non-fulfillment is not directly or indirectly as a result of any action or omission of the Purchaser. The Stalking Horse Agreement will automatically terminate in the event the Receiver closes a Successful Bid with a bidder other than the

Stalking Horse Bidder.

Bid Protections

41. The Stalking Horse Agreement includes provisions that require other Bids to offer total consideration equal to the Purchase Price (as defined therein), *plus*, the Expense Reimbursement (described below) payable in cash, *plus* (iii) an overbid amount to be determined by the Receiver (acting reasonably) (the “**Total Consideration**”). The Receiver has set the overbid amount to \$100,000, as described in the SISP Procedures.
42. The Stalking Horse Agreement includes an expense reimbursement of up to \$50,000 (the “**Expense Reimbursement**”) in respect of the Stalking Horse Bidder’s reasonable out-of-pocket professional fees, disbursements and expenses incurred in respect of the SISP, including drafting and negotiating the Stalking Horse Agreement. The purpose of the Expense Reimbursement is to provide the Stalking Horse Bidder with a means to recover certain costs and expenses incurred in connection with the Stalking Horse Agreement if it is not the Successful Bidder (as defined in the SISP Procedures).
43. The Receiver is of the view that these Bid Protections are reasonable and will not discourage competitive bidding with respect to the SISP.
44. Bid protections for stalking horse bidders in the context of sale and investor solicitation processes run in insolvency proceedings are generally around 2.5%-5% of the purchase price, and the Bid Protections in this case represent far less than 1% of the Purchase Price.

Description of SISP

45. The Receiver has created the terms of the SISP, as attached at **Appendix “D”**.
46. The Receiver intends to run a single-phase SISP to maximize the value of Synaptive’s assets for all stakeholders and in view of maintaining its Business and operations. The

SISP, if approved by the Court, will be conducted by the Receiver pursuant to the SISF Procedures set out herein.

47. As set out in the Third CCAA Report (attached at Appendix B hereto), the Receiver conducted the two-phase CCAA SISF in 2025 without a sales agent, and has access to all of the information gathered about the Property, Business and investment opportunity, and about parties that expressed interest during the CCAA SISF (“**Known Potential Bidders**”) that can be redeployed in this SISF. The Monitor had distributed the CCAA SISF Teaser to approximately 228 Potential Bidders, including more than 79 strategic companies, which resulted in 24 Potential Bidders executing non-disclosure agreements (“**NDA**”) and gaining access to the data room. The CCAA SISF ultimately had six bidders in phase one, three of which were deemed to be Qualified Bidders. As described above, the Transaction ultimately closed with the Purchaser, which was the only Qualified Bidder in the second phase of the CCAA SISF.
48. As such, given the broad canvassing of the market recently in the CCAA SISF, the Receiver’s expectation is that an abridged marketing period would be suitable for this SISF. The Receiver anticipates engaging with previous Potential Bidders and has already received inbound requests through interested parties.
49. As a result of the CCAA SISF being carried out approximately one year ago, the Receiver has well-developed diligence materials and a list of many Known Potential Bidders who are aware of the Property and assets involved in Synaptive’s Business. Accordingly, the Receiver is of the view that the SISF provides sufficient notice of the opportunity to Potential Bidders. A streamlined, one-phase approach provides the Receiver with adequate time to market the opportunity and engage with appropriate parties while

ensuring there is limited deterioration in value of the Property and Business from an expedited sale.

50. The SISP timeline is as follows and is the result of negotiations and consultation between the Receiver, EDC and the Stalking Horse Bidder, with a view of balancing an abbreviated, efficient process with a realistic timeline that can generate sufficient interest in the market.

SISP Procedures

51. The SISP Procedures are attached at **Appendix “D”**. All terms in the following section are as defined in the SISP Procedures.

- a) **Potential Bidders:** Any party who wishes to participate in the SISP (a “**Potential Bidder**”) must provide to the Receiver: (a) an executed NDA; (b) a letter with the Potential Bidder’s identity and contact information, full disclosure of the direct and indirect principals of the Potential Bidder, and a signed copy of the SISP confirming the Potential Bidder’s commitment to comply therewith; and (c) any other information that the Receiver may reasonably request.
- b) **Qualified Bidder:** To be a Qualified Bidder, a party must provide an irrevocable Bid that conforms to the SISP at paragraph 15, including among other things: (i) an offer equal to or greater than the Total Consideration; (ii) the Total Consideration must include a minimum cash component that is equal to or greater than the aggregate amount outstanding under the First Receiver’s Borrowings Charge, the Second Receiver’s Borrowings Charge, the Receiver’s Expense Reserve and the Expense Reimbursement; (iii) a cash deposit in the amount of \$375,000; (iv) a duly authorized and executed definitive transaction document (“**Definitive Agreement**”) including waiver of conditions relating to approvals, obtaining financing or other material due diligence or closing conditions; (v) all required acknowledgments; and (vi) evidence of a firm, irrevocable commitment for financing or other evidence of the Bidder’s ability to consummate the proposed transaction on or before June 30, 2026 (i.e., the Outside Date). The Receiver, in consultation with EDC, may waive compliance with any one or more of the requirements except for (i) and (ii).

- c) Notwithstanding the bid requirements detailed above, the Stalking Horse Bid shall be deemed a Qualified Bid, and the Stalking Horse Bidder shall be deemed a Qualified Bidder.
- d) **Selected Bidders:** Following the Bid Deadline, the Receiver, in consultation with EDC, will assess all Qualified Bids received and may designate the most advantageous Qualified Bids as “**Selected Bid(s)**” according to the criteria set out in paragraphs 15 and 18 of the SISP Procedures. Only Selected Bidders shall be eligible to participate in an Auction and/or become the Successful Bidder(s). The Receiver shall advise all Qualified Bidders not designated as a Selected Bidder of such decision as soon as reasonably practicable. The Stalking Horse Bid shall be deemed to be a Selected Bid and the Stalking Horse Bidder shall be deemed to be a Selected Bidder.
- e) The Receiver may, in consultation with EDC, following the receipt of any Qualified Bid, seek clarification with respect to any of the terms or conditions of such Qualified Bid and/or request and negotiate one or more amendments to such Qualified Bid before designating it as a Selected Bid.
- f) **Auction:** If one or more Selected Bids (excluding the Stalking Horse Bid) is received by the Bid Deadline, all such Selected Bidders shall proceed to an auction with the Stalking Horse Bidder (an “**Auction**”), to be conducted pursuant to the procedure set out in paragraphs 25-27 of the SISP Procedures. In such event, the Receiver shall determine, in its reasonable business judgment, which Selected Bid is the highest and/or best bid.
- g) **Successful Bids:** The Successful Bid will be either (i) the Stalking Horse Bid, if no other Qualified Bid is received by the Bid Deadline or no other Qualified Bid is

designated as a Selected Bid by the Receiver; (ii) in the event of an Auction, the highest and best bid as determined by the Receiver at the Auction; or (iii) a bid that the Receiver designates as a Successful Bid, notwithstanding that a Court-approved transaction did not occur by the required date pursuant to the Successful Bid.

52. The foregoing considerations will be balanced with an assessment of each Selected Bid, Qualified Bid or Successful Bid (as the case may be) on the basis of the maximum possible recovery for Synaptive's creditors and stakeholders. As such, certain Bids may be assessed on different criteria depending on the nature of the offer received including: (i) the amount and nature of the consideration (it being understood that, all else being equal, cash consideration is preferable to non-cash consideration, with the value of any non-cash consideration being determined by the Receiver in its business judgment, in consultation with EDC), (ii) the proposed assumption of any liabilities and the related implied impact on recoveries for creditors, (iii) the Receiver's assessment of the certainty of the Selected Bidder to close the proposed transaction, (iv) the likelihood, extent and impact of any potential delays in closing, (v) the net economic effect of any changes from the Stalking Horse Bid, (vi) the quantum of capital injected into the Business, and (vii) such other considerations as the Receiver deems relevant in its reasonable business judgment.
53. If a Successful Bid (including the Stalking Horse Bid) is approved by the Court and does not close pursuant to the SISP and related terms of the Successful Bid, the Receiver can select any other Selected Bid as the Successful Bid.

Receiver's views on the SISP

54. The Receiver's view is that the SISP is commercially reasonable and well structured. It will provide for an appropriate canvassing of opportunities for sale or recapitalization

transactions for the benefit of EDC and of Synaptive's creditors generally, as well as adequately testing the Stalking Horse Bid against the market.

55. The Receiver has taken steps and prepared documentation necessary to commence the SISP under the contemplated timelines. The SISP also provides the Receiver with sufficient flexibility to make reasonable and appropriate adjustments to the SISP, if required and to seek further direction from the Court, if needed.
56. Finally, the Receiver is satisfied that the factors to be considered in declaring a Successful Bid are reasonable and appropriate in the circumstances.

VIII. CONCLUSION AND RECOMMENDATION

57. The Receiver is of the view that the SISP is acceptable in the circumstances because:
- a) the SISP and bidding procedures allow a market test for the benefit of all stakeholders and provide an opportunity to complete a transaction with greater value than the Stalking Horse Agreement;
 - b) the SISP will be carried out by and under the oversight of the Receiver, to ensure fairness and transparency, including, if appropriate, by conducting an Auction to ensure fair bidding between Qualified Bidders;
 - c) the Receiver has significant experience in conducting sales processes of this nature, including for these specific assets;
 - d) sales processes that include a stalking horse bid are a recognized mechanism in insolvency proceedings to maximize recoveries. This will assist the Receiver to maximize value;

- e) the existence of a Stalking Horse Bidder also gives creditors confidence by setting a baseline price for a sale or investment. It is in the best interests of Synaptive's stakeholders that the Stalking Horse Agreement be authorized, so it may have the opportunity to maximize value and to protect downside risk if a superior offer is not submitted; and,
- f) the Receiver is of the view that the Expense Reimbursement is reasonable in the circumstances and reflects the Stalking Horse Bidder's reasonable costs to prepare the Stalking Horse Agreement and to negotiate the SISP and other related materials. The Receiver is of the view that the Expense Reimbursement will not discourage interested parties from submitting offers in the SISP.

58. The Receiver recommends the approval of the SISP Order as provided in the Receiver's Motion Record.

All of which is respectfully submitted.

ENDORSEMENT OF JUSTICE J. DIETRICH:

Introduction

- [1] Export Development Canada (“**EDC**”) seeks an order appointing Richter Inc. (“**Richter**”) as receiver of the property of Synaptive Medical Inc. (“**Synaptive**”) pursuant to s. 243 of the *Bankruptcy and Insolvency Act* (the “**BIA**”) and s. 101 of the *Courts of Justice Act* (the “**CJA**”).
- [2] Synaptive consents to the relief requested by Richter. No person appearing raises any opposition to the relief requested by EDC.
- [3] Defined terms used but not defined herein have the meaning given to them in the factum of EDC filed in support of the relief requested.

Background

- [4] Synaptive is a privately-held Canadian medical technology company specializing in neuro-imaging and precision intervention. Synaptive was incorporated pursuant to the *Business Corporations Act* (Ontario). Synaptive leases two industrial/commercial facilities in Ontario from which it operates: one in London and one in Mississauga. Synaptive’s assets include a global intellectual property (“**IP**”) portfolio, made up of patents, licenses, trademarks, and trade secrets. As of March 2025, Synaptive has filed over 1,275 patent applications in a number of jurisdictions, including Canada, the U.S., Europe, China, and Japan.

CCAA Proceedings & Status of WEPPA Motion

- [5] In March 2025, Synaptive commenced the **CCAA Proceedings (Court File CV-25-00739279-00CL)** in which Richter was appointed as Monitor. In June 2025, Synaptive exited the CCAA Proceedings as a going-concern after the issuance of an Approval and Reverse Vesting Order. The transaction approved by that order closed on June 26, 2025. At that time, Synaptive was removed as an applicant in the CCAA Proceedings, and 1001270243 Ontario Inc. (the “**ResidualCo**”) was added in its stead. Synaptive is no longer a party to the CCAA Proceedings.
- [6] The CCAA Proceedings, however, remain ongoing due to an outstanding dispute regarding the entitlement of terminated employees of Synaptive to relief under the *Wage Earner Protection Program Regulations* (Canada). A full day motion is currently scheduled in that proceeding for May 5, 2026. However, Mr. Hatney takes the position on behalf certain of the terminated employees that the

Receivership changes the landscape for that motion. Other parties, including the Department of Justice need to understand this position, obtain instructions and respond. Accordingly, the full-day hearing on May 5, 2026 is vacated and a **30 minute case conference is scheduled in the CCAA Proceedings for 10:00 am on May 5, 2026** before me to discuss rescheduling of that outstanding motion. Aide Memoire are to be uploaded no later than end of day on May 1, 2026 in respect of that case conference.

EDC Indebtedness

- [7] As of April 16, 2026, Synaptive is indebted to EDC as follows:
- (a) pursuant to the terms of the Senior Note in the total amount of USD \$6,392,000 exclusive of enforcement costs (the “Senior Note Indebtedness”); and
 - (b) pursuant to the terms of the Junior Note in the total amount of USD \$12,166,512.42, exclusive of enforcement (the “Junior Note Indebtedness”, and together with the Senior Note Indebtedness, the “Indebtedness”).
- [8] The Indebtedness is secured by general security agreements delivered by Synaptive to EDC dated June 26, 2025. Counsel to Richter as proposed Receiver has provided Richter with an opinion, that subject to typical qualifications and assumptions the security held by EDC over the assets of Synaptive is valid and enforceable.

Recent Events

- [9] Synaptive is now facing an urgent liquidity crisis. In April 2026, Synaptive defaulted on its obligations to EDC by, among other things, becoming insolvent, admitting in writing its inability to pay its indebtedness generally as it becomes due, and threatening to cease to carry on all or a substantial part of its business.
- [10] On or around April 17, 2026, Synaptive furloughed approximately 90 of its employees, leaving only 4 employees. Some of the employees are employed by Synaptive USA, Inc., which EDC understands is Synaptive’s U.S. sister corporation.
- [11] As well, since that time, all but one of Synaptive’s directors have resigned, and EDC has been advised by Synaptive’s legal counsel that the remaining director intends to resign imminently.
- [12] On April 17, 2026, Fasken issued separate demand letters to Synaptive, on behalf of EDC, notifying Synaptive of certain Defaults, demanding repayment of the Indebtedness owing under the Senior Note and the Junior Note, and enclosing 244 Notices (the “**Demand Letters**”). Synaptive has waived the ten (10) day notice period prescribed by the 244 Notices (the “**Waivers**”) and has consented to the issuance of the Receivership Order.
- [13] Since delivering the Demand Letters and 244 Notices, certain of Synaptive’s employees have come forward with a potential transaction that would result in an equity injection of approximately USD \$6,000,000. The employees are working with Richter to determine the terms of the potential transaction.
- [14] Registrations under the PPSA have also been made against Synaptive by De Lage Landen Financial Services, Hewlett-Packard Financial Services Canada Company, and Royal Bank of Canada. Pacer Air Freight Ltd. also asserts a lien over certain property of Synaptive, and appears today but takes no position.

Issue

[15] The issue before the Court is whether the Receiver should be appointed over the assets of Synaptive.

Analysis

[16] The test for the appointment of a receiver under s. 243 of the BIA or s. 101 of the CJA is whether it is just or convenient.

[17] In determining whether it is just or convenient to appoint a receiver the court must have regard to all of the circumstances of the case particularly the nature of the property and the rights and interests of all parties in relation to the property: see *Bank of Nova Scotia v Freure Village of Clair Creek*, [1996] OJ No 5088 at para 10. While the appointment of a receiver is generally an extraordinary equitable remedy, where the rights of the secured creditor include, pursuant to the terms of its security, the right to seek the appointment of a receiver, the burden on the applicant is lessened: see *Elleway Acquisition Ltd v Cruise Professionals Ltd.*, 2013 ONSC 6866 at para 27.

[18] As summarized by Justice Osborne (as he then was) in *Canadian Equipment Finance and Leasing Inc. v. The Hypoint Company Limited*, 2022 ONSC 6186 at para 25, a number of factors have historically been taken into account in the determination of whether it is appropriate to appoint a receiver. The factors are not a checklist, but rather a collection of considerations to be viewed holistically.

[19] In this case, it is just and convenient to appoint a receiver. There is no dispute that Synaptive owes significant amounts to EDC and that the Indebtedness is in default.

[20] Under the terms of its security, EDC is entitled to apply to the Court for the appointment of a receiver upon default.

[21] EDC has demanded repayment of the total indebtedness and issued the 244 Notices. Synaptive has consented to the waiver of the 10-day notice period under the 244 Notices and has consented to the appointment of the Receiver.

[22] Richter is qualified to act as receiver and has consented to do so. Richter also has familiarity with the assets of Synaptive from its role as Monitor in the CCAA Proceedings.

[23] The terms of the proposed receivership order are appropriate and consistent with the Model Order of the Commercial List.

Disposition

[24] Accordingly, I grant the receivership order in the form signed by me today.

6. **THIS COURT ORDERS** that if any Records are stored or otherwise contained on a computer or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer or other system and providing the Receiver with any and all access codes, account names and account numbers that may be required to gain access to the information.

The relevant landlord shall be entitled to have a representative present in the leased premises to observe such removal and, if the landlord

disputes the Receiver's entitlement to remove any such fixture under the provisions of the lease, such fixture shall remain on the premises and shall be dealt with as agreed between any applicable secured creditors, such landlord and the Receiver, or by further Order of this Court upon application by the Receiver on at least two (2) days notice to such landlord and any such secured creditors.

8. **THIS COURT ORDERS** that no proceeding or enforcement process in any court or tribunal (each, a "**Proceeding**"), shall be commenced or continued against the Receiver except with the written consent of the Receiver or with leave of this Court.

NO EXERCISE OF RIGHTS OR REMEDIES

10. **THIS COURT ORDERS** that all rights and remedies against the Debtor, the Receiver, or affecting the Property, are hereby stayed and suspended except with the written consent of the Receiver or leave of this Court, provided however that this stay and suspension does not apply in respect of any "eligible financial contract" as defined in the BIA, and further provided that nothing in this paragraph shall (i) empower the Receiver or the Debtor to carry on any business which the Debtor is not lawfully entitled to carry on, (ii) exempt the Receiver or the Debtor from compliance with statutory or regulatory provisions relating to health, safety or the environment, (iii) prevent

the filing of any registration to preserve or perfect a security interest, or (iv) prevent the registration of a claim for lien.

NO INTERFERENCE WITH THE RECEIVER

11. **THIS COURT ORDERS** that no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by the Debtor, without written consent of the Receiver or leave of this Court.

APPENDIX D 40

1.0 INTRODUCTION

1.1 On March 19, 2025 (the “**Filing Date**”), Synaptive Medical Inc. (“**Synaptive**”, the “**Applicant**”, or the “**Company**”) was granted protection under the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”) pursuant to an initial order (the “**Initial Order**”) of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”). The proceedings commenced by the Applicant under the CCAA are referred to herein as the “**CCAA Proceedings**”.

1.2 The Initial Order granted by the Court on March 19, 2025, among other things:

- a. appointed Richter Inc. (“**Richter**”) as monitor in these CCAA Proceedings (in such capacity, the “**Monitor**”);
- b. granted a stay of proceedings in favour of Synaptive and its directors and officers up to and including March 26, 2025 (the “**Stay Period**”);
- c. authorized Synaptive to borrow from its senior secured lender, Export Development Canada (“**EDC**”), under a credit facility provided by EDC (in such capacity, the “**DIP Lender**”), for the purposes of financing the Applicant’s working capital requirements and other general corporate purposes throughout these CCAA Proceedings, with borrowings under such credit facility not to exceed \$1 million unless permitted by further Order of the Court, and granted the DIP Lender a priority charge over the Applicant’s Property (the “**DIP Lender’s Charge**”); and
- d. granted an Administration Charge and a Directors’ Charge (each as defined in the Initial Order) over the Property, in the following order of priority:

- (i) the Administration Charge in the maximum amount of \$250,000;
- (ii) the DIP Lender's Charge; and
- (iii) the Directors' Charge in the maximum amount of \$1.1 million.

1.3 On March 26, 2025, the Court granted the Amended and Restated Initial Order (the "**ARIO**") which, among other things:

- a. extended the Stay Period up to and including June 20, 2025;
- b. approved a debtor in possession facility term agreement dated March 18, 2025 (the "**DIP Term Sheet**") between Synaptive and the DIP Lender, authorizing Synaptive to borrow up to the maximum amount of \$7,000,000 available thereunder; and
- c. increased the quantum of the Administration Charge to \$500,000.

1.4 Also on March 26, 2025, the Court issued an order (the "**SISP Approval Order**") which, among other things, authorized Synaptive to conduct a sale and investment solicitation process ("**SISP**"), to be run by the Monitor, to identify a restructuring, sale or reorganization transaction in respect of the property and/or business of Synaptive in accordance with the procedures, terms and conditions attached thereto (the "**SISP Procedures**").

1.5 On April 25, 2025, the Court granted an order (the "**KERP Approval Order**") approving Synaptive's request for a key employee retention plan ("**KERP**") for certain of its key employees (the "**Key Employees**"). The KERP Approval Order, among other things, authorized Synaptive to make payments in accordance with the terms and conditions of the

KERP and DIP Term Sheet, granted a charge on the property of Synaptive (the “**KERP Charge**”) not to exceed \$500,000 to secure any payments to the Key Employees under the KERP, and sealed the confidential KERP exhibit pending further order of the Court.

- 1.6 The KERP Approval Order also amended the ARIO such that the priorities in respect of the Administration Charge, the DIP Lender’s Charge, the Directors’ Charge and the KERP Charge would be reflected as follows:
- a. First – Administration Charge (to the maximum amount of \$500,000);
 - b. Second – DIP Lender’s Charge;
 - c. Third – Directors’ Charge (to the maximum amount of \$1,100,000); and
 - d. Fourth – KERP Charge (to the maximum amount of \$500,000).
- 1.7 As set out more fully in the affidavit of Magnus Momsen sworn March 18, 2025 (the “**First Momsen Affidavit**”) filed in support of the application for the Initial Order, (i) Synaptive is a privately held Canadian medical device company that provides neurosurgery solutions from pre-operative planning and diagnosis to surgical intervention and post-operative care; and (ii) CCAA protection was necessary given an impending liquidity crisis caused by, among other things, an inability of Synaptive to pay operating expenses including significant payroll requirements and other obligations as they became due.
- 1.8 Richter filed a pre-filing report dated March 18, 2025 (the “**Pre-Filing Report**”) with the Court prior to the commencement of the CCAA Proceedings. The Monitor filed its first report dated March 24, 2025 (the “**First Report**”) in connection with Synaptive’s motion

for approval of the ARIO and SISP Approval Order. The Monitor filed its second report dated April 22, 2025 (the “**Second Report**”, and together with the Pre-Filing Report and the First Report, the “**Previous Reports**”) in connection with Synaptive’s motion for the KERP Approval Order. The Previous Reports are available on the Monitor’s case website at: <https://www.richter.ca/insolvencycase/synaptive-medical-inc/> (the “**Case Website**”).

- g. in accordance with the SISP terms, the Monitor also confirmed that no management insider intended to initiate or participate as a Potential Bidder in the SISP.

5.3 On April 24, 2025, based on feedback from Potential Bidders requiring additional time for due diligence and formulation of bids, the Monitor, in consultation with the Company and the DIP Lender, extended the Phase I LOI Deadline from 5:00 pm (Eastern Time) on April 30, 2025 to 5:00 pm (Eastern Time) on May 7, 2025 (the “**Revised Phase I LOI Deadline**”).

5.4 Six parties submitted Phase I LOIs by the Revised Phase I LOI Deadline. Following consultation with the Company and the DIP Lender, three parties were deemed to be Qualified Bidders.

Phase II Bid Deadline

5.5 On May 12, 2025, as a result of the extension of the Phase I LOI Deadline, the Monitor, in consultation with the Company and the DIP Lender, extended the Phase II Bid Deadline from 5:00 pm (Eastern Time) on May 16, 2025 to 5:00 pm (Eastern Time) on May 27, 2025. Attached as Confidential **Appendix A** to this Third Report is a Summary of the Phase I and Phase II Bids received by the Monitor.

Selection of the Winning Bidder

5.6 One party submitted an acceptable Phase II Bid by the Phase II Bid Deadline, being the Purchaser. The Monitor worked with the Purchaser and the Company to clarify certain provisions of the Purchaser Phase II Bid, following which the Monitor designated the Purchaser as the Successful Bidder on June 2, 2025. Following receipt of the Successful Bid from the Purchaser, the Monitor, Synaptive and the DIP Lender commenced further discussions with, and provided comments to, the Purchaser in respect of the proposed

transaction. Following those discussions and negotiations with the Purchaser, on June 12, 2025, Synaptive and the Purchaser entered into an agreement in respect of the Transaction (the “**Subscription Agreement**”).

Key Terms of the Subscription Agreement

5.7 The Subscription Agreement involves the Purchaser acquiring 100% of the equity of Synaptive through a reverse vesting order structure, the culmination of which will result in the Purchaser acquiring all of the issued and outstanding shares of Synaptive, free and clear of all Claims and Encumbrances (other than Permitted Encumbrances) and excluding all Excluded Assets, Excluded Contracts and Excluded Liabilities. Following closing of the Transaction, Synaptive will retain only the Retained Assets, including the Retained Contracts and the Retained Causes of Action. In addition, the Purchaser is required to make offers of employment to employees of the Company’s subsidiaries such that the number of such employees receiving offers of employment from the Purchaser plus the number of the Company’s employees who remain employed by the Company as of closing of the Transaction equals at least 90% of the aggregate number of employees as of the date of the Subscription Agreement.

5.8 The key terms of the Subscription Agreement are summarized below:

- a. **Subscription for New Common Shares.** In consideration for the Cash Consideration and the Working Capital Amount (as defined below), the Purchaser will subscribe for 100 newly-issued common shares in the capital of the Company.
- b. **Amendment to Articles and Cancellation of Existing Equity and Existing Common Shares.** All Existing Equity, including all options, conversion privileges,

equity-based awards, warrants, securities, debentures, loans, notes or other rights, agreements or commitments of any character held by any person which are convertible or exchangeable for any securities of the Company, but excluding, for greater certainty, the Subscribed Shares, will be cancelled. Synaptive will also file Articles of Reorganization pursuant to which all Existing Common Shares (excluding, for greater certainty, the Subscribed Shares) will be cancelled for no consideration.

c. **Purchase Price.** The Purchase Price is comprised of the following amounts:

- (i) Cash in an amount equal to the United States Dollar equivalent of C\$9,610,000, being the total amount contemplated to be paid for Administrative Expense Costs (the “**Cash Consideration**”);
- (ii) Senior Rollover Notes and EDC Warrants;
- (iii) Junior Rollover Notes;
- (iv) a minimum working capital injection in a minimum amount of US\$22,500,000 and a maximum amount of up to US\$50,000,000, in each case *less* the Cash Consideration (the “**Working Capital Amount**”); and
- (v) the assumption of the Assumed Liabilities.

d. **Retained Assets.** The assets to be retained by the Company are defined as all of the assets owned by Synaptive as of the date of the Subscription Agreement and any asset acquired by Synaptive up to and including Closing, including the Retained

Contracts (which are set out on Schedule I of the Subscription Agreement, which schedule may be amended up to two business days prior to Closing), the books and records of the Company, the Retained Causes of Action and the Intellectual Property, but excluding the Excluded Contracts, Excluded Assets and Excluded Liabilities;

- e. **Assumed Liabilities.** The Company will retain the following obligations:
- (i) The Monitor has confirmed with the Purchaser that it intends to have Synaptive assume all accrued and future liabilities arising from or in connection with the Retained Contracts, subject to the Purchaser's right to choose which Contracts to include as Retained Contracts up to two Business Days prior to Closing;
 - (ii) liabilities in respect of employees that are continuing with Synaptive; and
 - (iii) liabilities that are added to Schedule A of the Subscription Agreement as Assumed Liabilities up to two Business Days prior to Closing.
- f. **Excluded Assets and Excluded Contracts.** The Excluded Assets and the Excluded Contracts will not be retained by Synaptive and will be transferred to ResidualCo. The Excluded Assets and Excluded Contracts generally comprise:
- (i) the Contracts set out in Schedule D to the Subscription Agreement, or which may be added as Excluded Contracts up to two business days prior to Closing;

- (ii) Synaptive's rights and interests in the Subscription Agreement;
 - (iii) Synaptive's equity interest in all subsidiaries;
 - (iv) all books and records and tax and financial data related to the Excluded Liabilities, including applicable tax returns; and
 - (v) any assets that are added to Schedule C of the Subscription Agreement as Excluded Assets up to two business days prior to Closing.
- g. **Excluded Liabilities.** Synaptive will retain only the Assumed Liabilities, all other Liabilities of Synaptive will be excluded and assumed by ResidualCo.
- h. **Representation and Warranties.** Consistent with the standard terms of an insolvency transaction, i.e. on an "as is, where is" basis, with limited representation and warranties.
- i. **Closing Date.** Closing of the Transaction will occur no later than June 25, 2025, or such other date that the Parties, acting reasonably, may mutually agree.
- j. **Material Conditions.** In addition to the standard conditions included in an insolvency transaction, including the granting of the ARVO, the Subscription Agreement is subject to a financing condition that runs in favour of both the Purchaser and the Company. Failure to satisfy this condition will result in the Purchaser forfeiting to the Company the US\$1 million deposit currently being held in trust by the Monitor.
- k. **Termination.** The Subscription Agreement can be terminated, *inter alia*:

- (i) by either the Company or the Purchaser, if the Court declines at any time to grant the ARVO, for reasons other than a breach of the Subscription Agreement by the Party proposing to terminate it; or
- (ii) if Closing has not occurred on or prior to June 25, 2025, provided that the reason for the Closing having not occurred is not due to any act, omission or breach of the Subscription Agreement by the Party proposing to terminate it.

Monitor's Recommendation Regarding the Transaction

5.9 The Monitor recommends that the Court issue an order approving the Transaction and the Approval and Reverse Vesting Order for the following reasons:

- a. the Monitor is of the view that the SISP was conducted in accordance with the terms of the SISP Order and in a commercially reasonable manner, including the timelines, breadth of the Monitor's canvassing of the market, the information made available to interested parties (including the information in the Data Room), and the availability of the Monitor, with the assistance of the Company's management, for due diligence requests and meetings;
- b. the Transaction contemplates the continuation of the Company's business and operations, which, among other things, will preserve jobs for approximately 90% of Synaptive's employees;
- c. no alternative offers superior to that of which is contemplated under the Subscription Agreement were received despite the Monitor reaching out to

approximately 228 prospective parties (not including any parties who were made aware of the SISP via the notices in The Globe & Mail (National Edition) or Canada Newswire;

- d. no funding is available to further market the opportunity. Even if there was, the Monitor is of the view that the ongoing professional and other costs would erode recoveries with no certainty that a superior transaction would be completed;
- e. the terms of the Subscription Agreement are commercially reasonable;
- f. in the Monitor's view, the Transaction provides for superior overall recoveries than what would otherwise be recovered through a liquidation or bankruptcy of the Company; and
- g. the Transaction is the best opportunity to maximize recoveries for Synaptive's creditors and provide the greatest benefit to Synaptive's stakeholders, as they provide the best opportunity for the continuation of the Company's business.

Reverse Vesting Order

5.10 The implementation of the Transaction which contemplates the purchase and sale of shares using the concept of a "reverse vesting order" is appropriate, reasonable and necessary in the current CCAA Proceedings for the following reasons:

- a. numerous government licenses, permits, agreements and authorizations are part of the assets being retained under the Subscription Agreement. It would be significantly more complex, unpracticable and time consuming to transfer the

benefits of those licenses, permits, agreements and authorizations which are an integral part of the Transaction under a traditional vesting order;

- b. Synaptive operates in the highly regulated medical device industry and therefore a reverse vesting order structure greatly minimizes the risks, costs and delays of transferring the requisite authorizations necessary to permit Synaptive to continue to operate following implementation of the Transaction;
- c. the creditors and stakeholders whose liabilities or contracts are considered Excluded Liabilities and Excluded Contracts will not be in a worse position than they would have been under a traditional vesting of assets to a third-party purchaser; and
- d. the Transaction will potentially allow the Purchaser to preserve the Synaptive's tax losses that may be carried forward to offset against future taxable income of Synaptive, which would not otherwise be available through a sale of Synaptive's assets.

6.0 CASH FLOW VARIANCE ANALYSIS REPORTING

- 6.1 As noted in the First Report, Synaptive, with the assistance of the Monitor, prepared a cash flow forecast for the period March 22, 2025 to June 20, 2025 (the "**Cash Flow Forecast**"). A copy of the Cash Flow Forecast is attached hereto as **Appendix B**.
- 6.2 Synaptive cooperated with the Monitor and provided information as requested by the Monitor in order for the Monitor to implement various procedures for monitoring Synaptive's receipts and disbursements on a weekly basis. The Monitor has also prepared

a forecasted to actual variance analyses with the respect to Synaptive's weekly receipts and disbursements as compared to the Cash Flow Forecast.

6.3 A comparison of Synaptive's actual receipts and disbursements as compared to the Cash Flow Forecast for the Reporting Period is summarized as follows:

Source: Information provided by Management

6.4 As reflected in the summary table above, Synaptive reported a net cash outflow of approximately \$374,000 over the Reporting Period and had a cash balance of approximately \$276,000 as of June 6, 2025. Synaptive has an unfavourable cash flow variance of approximately \$53,000 as compared to the Cash Flow Forecast during the Reporting Period.

6.5 The unfavourable cash flow variance of approximately \$53,000 pertains principally to the following:

a. unfavourable variances associated with:

- (i) the collection of operating receipts;
- (ii) higher payroll costs as a result of increased costs associated with US Benefits as described in the Monitor's Second Report; and
- (iii) higher vendor payments associated with cost of sales purchases; partially offset by:

b. favourable variances associated with:

- (iv) lower general and administration expenses;
- (v) lower employee expense costs; and
- (vi) lower payment of fees for restructuring professionals due to timing differences.

6.6 Advances under the DIP Facility during the Reporting Period totalled approximately \$6.5 million during the Reporting Period, which is in line with the forecast amount.

7.0 PAYMENTS AND DISTRIBUTIONS FROM THE TRANSACTION PROCEEDS

7.1 This section sets out the proposed payments and distributions from the proceeds of the Transaction as contemplated in the Subscription Agreement, and subject to Court approval.

Payment of CCAA Charges and Employee Priority Amounts

- 7.2 In accordance with the Subscription Agreement, cash in an amount equal to the United States Dollar equivalent of \$9,610,000, is to be paid to the Monitor for the benefit of persons entitled to be paid the Administrative Expense Costs. The Administrative Expense Costs includes all outstanding costs secured by the CCAA Charges and all amounts required by the Monitor to administer the Excluded Assets, Excluded Contracts and Excluded Liabilities, which include liabilities in respect of the employee priority amounts and the costs associated with the administration of the bankruptcy of ResidualCo.
- 7.3 In respect of the costs associated with the bankruptcy of ResidualCo, the Monitor will provide such funds to the trustee in bankruptcy of ResidualCo.
- 7.4 In accordance with the Subscription Agreement, the Administrative Expense Costs are to be satisfied by the Cash Consideration thereby satisfying all amounts due and owing under the Administrative Expense Costs.

Senior Rollover Note and EDC Warrants

- 7.5 EDC will receive a Senior Rollover Note in the principal amount of approximately US\$6 million subject to the terms outlined in Schedule “J” of the Subscription Agreement and the EDC Warrants subject to the terms outlined in Schedule “L” of the Subscription Agreement in compensation for amounts outstanding and due to EDC under the Espresso Facility of approximately US\$5 million in principal and accrued interest of approximately US\$1.5 million.

7.6 The Monitor notes that the principal amount of the Senior Rollover Note is less than the amount currently outstanding under the Espresso Facility and the terms of the Senior Rollover Note are less favourable than the Espresso Facility. Accordingly, the Monitor views the issuance of the EDC Warrants to EDC (as noted above) as a reasonable form of compensation for reduced recovery under the Senior Rollover Note.

Junior Rollover Notes

7.7 As described in the Pre-Filing Report, the Applicant's secured debt obligations include approximately US\$59.8 million to holders of the EDC Convertible Notes.

7.8 As outlined in the Subscription Agreement, holders of the EDC Convertible Notes are to receive, on a pro-rata basis, promissory notes (the "**Junior Rollover Notes**") in the aggregate principal amount of US\$14 million, in form and substance as outlined in Schedule "J" of the Subscription Agreement.

Credit Card Facility

7.9 The Purchaser intends to assume the RBC CC Facility (as defined in the First Report), including amounts due thereunder.

Independent Security Review

7.10 The Monitor has received a written opinion from McMillan confirming that, subject to typical qualifications and assumptions, the security granted under the Espresso Facility and the EDC Convertible Notes is valid and enforceable in accordance with their terms in the province of Ontario. In consideration of the foregoing, the Monitor supports Synaptive's request for an order authorizing the Monitor or Synaptive, as applicable, to distribute the

Cash Consideration to the beneficiaries of the Administrative Expense Costs (in accordance with their relative priority) and to distribute the Senior Rollover Note, EDC Warrants and the Junior Rollover Notes to the Rollover Noteholders on or immediately following the closing of the Transaction.

8.0 ACTIVITIES OF THE MONITOR SINCE THE FILING DATE

8.1 Since the Second Report, the primary activities of the Monitor have included the following:

- a. updating the Case Website as necessary, including posting copies of the Second Report, the KERP Order, the revised SISP milestones and other Court-filed documents;
- b. communicating with various stakeholders of the Applicant, including creditors, debenture holders, shareholders, employees and landlords;
- c. communicating with terminated employees regarding the Wage Earner Protection Program and filing WEPP claims and other related matters;
- d. liaising with Canada Revenue Agency (“CRA”) in connection with CRA’s GST/HST examination of the Company;

 - (iii) negotiating and settling NDAs with Potential Bidders;
 - (iv) facilitating additional information requested by Potential Bidders to further due diligence efforts;
 - (v) facilitating and attending management presentations with Potential Bidders;
 - (vi) providing regular updates to the DIP Lender on the SISP; and
 - (vii) negotiating the terms of the Subscription Agreement;
- g. monitoring the Applicant's cash receipts and disbursements;
- h. engaging in discussions with the DIP Lender and its counsel, Fasken Martineau Dumoulin LLP, with respect to liquidity matters, the SISP and other matters related to these CCAA Proceedings; and
- i. with the assistance of McMillan, counsel to the Monitor, preparing this Third Report.

9.0 ACTIVITIES OF THE COMPANY SINCE THE FILING DATE

9.1 Since the Filing Date, the activities of the Company, with the support of its counsel, have included:

- a. managing relationships with key stakeholders, including creditors, its landlords, secured lenders and shareholders;

- b. addressing operational issues arising in connection with the CCAA Proceedings;
- c. negotiating the DIP Term Sheet, including corresponding with the DIP Lender and its counsel;
- d. working, in consultation with the Monitor, to manage the Company's cash flows and making payments in accordance with the Cash Flow Forecast and DIP Term Sheet;
- e. paying the KERP as approved by the Court in connection with the KERP Order;
- f. negotiating the Subscription Agreement, including corresponding with the Purchaser and its counsel;
- g. preparing material for, and attending at Court in connection with the Initial Order, the ARIO, the SISP Order, and the KERP Order;
- h. liaising with the Monitor and preparing and providing to the Monitor cash flow projections and various other material to assist in the SISP;
- i. working with its counsel and the Monitor to assist the Monitor with any due diligence requests that arose from Potential Bidders during the SISP; and
- j. preparing materials for Court in connection with the within motion.

9.2 In addition to the above activities, the Company has been working to address the below matters:

Disclaimers of Contracts

- 9.3 During the CCAA Proceedings, the Company disclaimed the below noted contracts:
- a. On March 28, 2025, the Company provided notice to RBC Dominion Securities Inc. (“**RBC DSI**”) of its intention to disclaim its engagement letter with RBC DSI dated October 12, 2023 in connection with its mandate to conduct an investment solicitation process prior to the CCAA Proceedings.
 - b. On April 30, 2025, the Company provided a notice to disclaim its lease agreement with Plymouth Outland Center Parcel One Tn, LLC related to its lease dated July 22, 2021 in connection with the leased warehouse facility located in Memphis Tennessee.

Winding Down of Australian Subsidiary

- 9.4 On May 19, 2025, the Monitor received a letter from Mr. Mark Tobin (the “**Tobin Letter**”), Director of Synaptive Medical (Australia) Pty Ltd. (“**Synaptive Australia**”), a 100% owned indirect subsidiary of Synaptive through its 100% owned subsidiary Synaptive Medical International SA.
- 9.5 Mr. Tobin’s letter advised of, and provided details with respect to, amounts due by Synaptive Australia to the Australian Taxation Office (the “**ATO**”) related to outstanding employee source deductions.
- 9.6 The Monitor understands that the Company has been working on a wind-down plan for Synaptive Australia.

Flat Iron Lift Stay Motion

- 9.7 On May 8, 2025, Flat Iron Building Group Inc. (“**Flat Iron**”), through its counsel, Cassels Brock & Blackwell LLP (“**Cassels**”), advised the Monitor that on April 4, 2025, Flat Iron registered a lien (the “**Flat Iron Lien**”) against the property at 5055 Satellite Drive in Mississauga, Ontario, the Company’s lease location in Mississauga (the “**Mississauga Location**”) and requested the Monitor consent to the lift stay to allow Flat Iron to perfect the Flat Iron Lien by issuance of a statement of claim. Cassels further advised in its letter that the purpose of the lift stay was to ensure perfection of the Flat Iron Lien given the timing constraints associated with the *Construction Act*.
- 9.8 Both the Monitor and counsel for the Applicant, on behalf of the Applicant, consented to the lift stay motion.
- 9.9 Subsequently, the Monitor was informed by counsel to the landlord of the Mississauga Location, PIRET (Skymark Satellite) Holdings Inc. (the “**Mississauga Landlord**”), that the Flat Iron Lien was impacting the Mississauga Landlords ability to refinance.
- 9.10 We understand that Synaptive and the Mississauga Landlord came to an agreement by which the Mississauga Landlord would pay the Flat Iron Lien and deduct the amount of the Flat Iron Lien payment from Synaptive’s tenant inducement allowance.

Pacer

- 9.11 As described in the Second Report, on April 15, 2025, the Monitor received notice from counsel to Pacer Air Freight Ltd. (“**Pacer**”), advising that Pacer is in possession of, and providing warehouse services for, approximately 35 skids of goods including MRI units

and other medical equipment (the “**April 15 Email**”). Pacer is claiming accrued debt of approximately \$1.1 million in respect of which they claim a general contractual lien against the goods in storage.

9.12 The Company and the Purchaser are currently working to resolve the Pacer Lien.

10.0 REQUEST FOR APPROVAL OF FEES AND DISBURSEMENTS

10.1 The Monitor and McMillan have maintained detailed records of their professional fees and disbursements prior to and since the Monitor’s appointment. As noted in the Pre-Filing Report, Richter was previously retained by the Company to provide financial advisory services, including, among other things, reviewing the Company’s current financial circumstances and cash flow projections, and supporting the Company with discussions / negotiations with certain of its key stakeholders. In addition, Richter’s mandate also included a focus on advising on the structure of these proceedings and assisting the Company with preparing the Cash Flow Forecast and other statutory documents required to file the CCAA. The Monitor is seeking approval of its fees and disbursements for the period from March 7, 2025 to June 6, 2025 (the “**Richter Fee Period**”), and those of McMillan from March 11, 2025 to June 9, 2025 (the “**McMillan Fee Period**”), in connection with the performance of their duties prior to and during the CCAA Proceedings.

10.2 The total fees and disbursements of Richter during the Richter Fee Period amount to \$349,468.75 and \$17,561.41, respectively, each excluding sales tax (collectively, the “**Richter Accounts**”). These amounts represent professional fees and disbursements not yet approved by the Court. The affidavit of Karen Kimel sworn on June 13, 2025 and attached hereto as **Appendix C** includes details of the Richter Accounts.

- 10.3 The total fees and disbursements of McMillan during the McMillan Fee Period amount to \$241,293.50 and \$319.31, respectively, each excluding sales tax (collectively, the “**McMillan Accounts**”). These amounts represent professional fees and disbursements not yet approved by the Court. The affidavit of Tushara Weerasooriya sworn on June 13, 2025 and attached hereto as **Appendix D** includes details of the McMillan Accounts.
- 10.4 The Monitor has reviewed the accounts of McMillan during the McMillan Fee Period and confirms that the services reflected therein have been duly authorized and duly rendered, and that, in the Monitor’s opinion, the charges are reasonable.
- 10.5 On the assumption that there are no delays, disputes, or unforeseen developments in connection with these proceedings, including the within motion and the performances of certain other matters in connection with its role as Monitor (the “**Remaining Matter**”), Richter has estimated fees and disbursements in the amount of \$150,000, excluding applicable taxes (the “**Remaining Fees and Disbursements**”), for services that have been provided or will be provided, as follows:
- a. Richter – for the period from June 7, 2025 to the date of the Monitor’s discharge, \$75,000; and
 - b. McMillan – for the period from June 10, 2025 to the date of the Monitor’s discharge, \$75,000.
- 10.6 The above estimates take into consideration the reasonable professional and legal fees and disbursements required to prepare this Third Report, participate in the within motion, and complete the Remaining Matters up to the effective date of discharge. If the actual

Remaining Fees and Disbursements are less than the above estimates, no further Court approval of fees and disbursements is required. If the actual Remaining Fees and Disbursements exceed the above estimates, the Subscription Agreement contemplates such amounts being returned to the Company. For clarity, the Remaining Fees and Disbursements are not inclusive of fees and disbursements to be incurred in connection with fees / retainer required to fund a trustee in bankruptcy in ResidualCo, which fees will be funded in accordance with the Administrative Expense Reserve contemplated in the Subscription Agreement.

- 10.7 Fees and disbursements of the Monitor and its counsel, including the Remaining Fees and Disbursements, have been reviewed by the Company, and the Monitor understands that the Company does not oppose these fees and disbursements.

11.0 RELIEF SOUGHT

ARVO

- 11.1 For the reasons set out above, the Monitor recommends and supports the approval of the Transaction contemplated by the Subscription Agreement and the granting of the relief under the ARVO.

Stay Extension

- 11.2 The Company is seeking an order from the Court granting the Stay Extension. In the Monitor's view, the Stay Extension is appropriate in the circumstances. The Monitor supports the Company's request for the Stay Extension for the following reasons:

- c. notwithstanding that the Subscription Agreement contemplates that the Transaction is to close on or before June 25, 2025, the Stay Extension will provide the Company and the Purchaser the benefit of additional time to close the Transaction should there be any unforeseen delays;
- d. in such a situation, granting the extension now, in connection with the Company's motion to approve the ARVO, will eliminate the need to incur additional professional costs associated with an additional Court attendance;
- e. the Company is acting in good faith and with due diligence;
- f. the Stay Extension provides sufficient time for ResidualCo to administer any Residual Assets and commence its bankruptcy proceedings;
- g. it is the Monitor's view that the Stay Extension will not materially prejudice or adversely affect any group of creditors, as ResidualCo is not operating and the Administrative Expense Reserve has been set aside to cover the costs of ResidualCo's bankruptcy and the final administration of the CCAA Proceedings.

WEPPA

11.3 The Company is seeking an order from the Court confirming that the Applicant meets the criteria prescribed by section 3.2 of the *Wage Earner Protection Program Regulations, SOR/2008-322*.

11.4 As a result of the downsizing and restructuring of the Company, employees terminated both prior to and during the CCAA Proceedings (the "**Terminated Employees**"), are owed wages, vacation pay, bonuses, severance and termination pay (the "**Terminated Employee**

Claims”). With guidance from the Company and the Monitor, Terminated Employees have filed claims under the WEPP.

- 11.5 The Monitor is supportive of the Applicant’s request that Terminated Employees qualify for WEPP as, had the structure of the Transaction been in the form of a purchase of the assets and subsequent bankruptcy of the remaining business, as opposed to the reverse vesting order structure, such Terminated Employees would have qualified for WEPP.

Discharge of the Monitor

- 11.6 The Monitor respectfully requests the relief set out in the Stay Extension and Termination Order including an order approving the Monitor’s fees and disbursements and the fees and disbursements of its counsel, McMillan. It is the Monitor’s view that seeking this relief concurrently with the approval of the Subscription Agreement will obviate the need for a further Court attendance, thus saving costs for the Applicant and the Purchaser.

12.0 CONCLUSIONS AND RECOMMENDATIONS

- 12.1 For the reasons set out in this Third Report, the Monitor respectfully recommends that the Court grant the ARVO and the Stay Extension and Termination Order. All of which is respectfully submitted to the Court this 14th day of June 2025.

ARTICLE 9 SISP AND STALKING HORSE PROVISIONS

9.1 Acknowledgement re: SISP and Stalking Horse Bid

The Parties acknowledge and agree that the Receiver shall conduct the SISP in accordance with the terms of the issued SISP Order. The Receiver shall bring a motion for the SISP Order to be heard on or before May 15, 2026. The SISP Order shall, *inter alia*, recognize the within offer by the Purchaser and the Purchase Price (i) as a baseline or “stalking horse bid” in respect of the Purchased Assets (the “**Stalking Horse Bid**”); and (ii) as a deemed “Qualified Bid”, with an attendant right on the part of the Purchaser to participate as a bidder in any Auction. The Purchaser acknowledges and agrees that the aforementioned process is in contemplation of determining whether a superior bid can be obtained for – or investment in – the assets, property and undertakings of the Company, and that the within Stalking Horse Bid may or may not be the Successful Bid for the Purchased Assets.

The SISP Order shall also, *inter alia*, include Court approval of each provision and mechanic set out in this Article 9.

9.2 Expense Reimbursement

In consideration for the Purchaser’s expenditure of time and money and agreement to act as the initial bidder in SISP through the Stalking Horse Bid, and the preparation of this Agreement, and in performing due diligence pursuant to this Agreement, and subject to Court approval, the Purchaser shall be entitled to be paid the amount of \$50,000 (the “**Expense Reimbursement**”), on account of an estimate of its reasonable out-of-pocket professional fees, disbursements and expenses of any kind or nature whatsoever incurred in connection with the SISP and the Transaction, which Expense Reimbursement shall be payable by the Receiver to the Purchaser in the event that the Stalking Horse Bid is not the Successful Bid, as soon as practicable following the closing of the Successful Bid.

9.3 Repayment of Receiver Borrowings

In addition to any other right hereunder, the event that the Stalking Horse Bid is not the Successful Bid, the Purchaser shall be entitled to be repaid all principal amounts advanced to the Receiver, together with all interest thereon, secured by the Receiver’s Second Borrowing Charge, which amounts shall be repaid as soon as practicable following the closing of the Successful Bid.

9.4 Requirements of Qualified Bid

The Parties acknowledge and agree that the SISP Procedures shall provide, *inter alia*:

- (a) a firm bid deadline;
- (b) only bids submitted by the bid deadline that are for a total transaction value equal to (i) the Purchase Price, *plus* (ii) the Expense Reimbursement payable in cash, *plus* (iii) an overbid amount as determined by the Receiver (acting reasonably) shall be determined to be a qualified bid (a “**Qualified Bid**”), provided, however, that the

Purchaser acknowledges and agrees that the determination of the total transaction value of the Stalking Horse Bid or any other bid in the SISP is solely within the business judgment of the Receiver, acting reasonably;

- (c) notwithstanding the foregoing, the Stalking Horse Bid shall be deemed to be a Qualified Bid in the SISP;
- (d) only those parties submitting Qualified Bids shall be invited to revise or submit further bids or participate in the Auction; and
- (e) in the event no other Qualified Bids are received, the Stalking Horse Bid shall be deemed the Successful Bid and the Receiver shall seek final approval of the same as soon as practicable.

ARTICLE 10 GENERAL

10.1 Receiver's Capacity

The Purchaser acknowledges and agrees that the Receiver, acting in its capacity as the Receiver in the Receivership Proceedings, will have no liability whatsoever in connection with this Subscription Agreement or the Transactions, whether in its capacity as Receiver, in its personal capacity or otherwise, and that the representations, covenants, obligations and agreements of the Company and ResidualCo pursuant to this Subscription Agreement and any related or ancillary document shall be those of the Company and ResidualCo exclusively and shall not constitute, or be deemed to constitute, representations, covenants, obligations or agreements of the Receiver.

10.2 Transaction Structure

The Purchaser, with the prior consent of the Receiver, acting reasonably, may amend the structure of the Transactions, including with respect to optimizing tax structures, *provided* that the amendment to the Closing Sequence does not materially alter or impact the Transactions or the consideration which the Company and/or its applicable stakeholders will benefit from as part of the Transactions.

10.3 Survival

All representations, warranties, covenants and agreements of the Company or the Purchaser made in this Agreement or any other agreement, certificate or instrument delivered pursuant to this Agreement will not survive the Closing except where, and only to the extent that, the terms of any covenant or agreement expressly provide for rights, duties or obligations extending after the Closing, or as otherwise expressly provided in this Agreement.

10.4 Expenses

Except as otherwise set forth herein, or if otherwise agreed in writing upon amongst the Parties, each Party will be responsible for its own costs and expenses (including any Taxes imposed on these expenses) incurred in connection with the negotiation, preparation, execution, delivery and

performance of this Agreement and the Transactions (including the fees and disbursements of legal counsel, bankers, agents, investment bankers, accountants, brokers and other advisers).

10.5 Public Announcements

- (a) All public announcements made in respect of the Transactions will be made solely by the Company, *provided* that the public announcements will be in form and substance acceptable to the Purchaser, acting reasonably, and that nothing herein shall obligate the Company to make any public announcement in respect of the Transactions. Notwithstanding the foregoing, nothing herein will prevent a party from making public disclosure in respect of the Transactions to the extent required by Applicable Law, *provided* that if any disclosure is to reference a Party hereto, the Party will be provided notice of the requirement so that the Party may seek a protective order or other appropriate remedy.
- (b) Subject to the above, the Purchaser will agree to the existence and factual details of this Agreement and the Transactions generally being set out in any public disclosure made by the Company or the Purchaser including, without limitation, press releases and court materials, and to the filing of this Agreement with the Court in connection with the Receivership Proceeding, *provided* that such disclosure will be subject to redactions as may be necessary to protect the commercial interests of the applicable Parties.
- (c) Except as required by Applicable Law, the Company will not, without the prior written consent of the Purchaser (not to be unreasonably withheld, conditioned or delayed), specifically name the Purchaser in any press release or other public announcement or statement or commentary or make any representation in relation thereto.

10.10 Waiver and Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the Receiver and the Purchaser (including by way of e-mail). No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided.

10.11 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of any prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of any provision in any other jurisdiction.

This Agreement is governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

10.14 Dispute Resolution

If any dispute arises with respect to the interpretation or enforcement of this Agreement, including as to what constitutes a breach or material breach of this Agreement for the purposes of Article 8 hereof, the dispute will be determined by the Court within the Receivership Proceeding, or by any other Person or in any other manner as the Court may direct.

10.15 Attornment

Each Party agrees: (a) that any Causes of Action relating to this Agreement will be brought in the Court, and for that purpose now irrevocably and unconditionally attorns and submits to the jurisdiction of the Court; (b) that it irrevocably waives any right to, and will not, oppose any Causes of Action in the Court on any jurisdictional basis, including *forum non conveniens*; and (c) not to oppose the enforcement against it in any other jurisdiction of any Order duly obtained from the Court as contemplated by this Section 10.15. Each Party agrees that service of process on the Party as provided in this Section 10.15 will be deemed effective service of process on that Party.

10.16 Successors and Assigns

This Agreement will enure to the benefit of, and be binding on, the Parties and their respective successors and permitted assigns.

10.17 Assignment

The Receiver may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the Purchaser. Prior to Closing, the Purchaser may assign, upon written notice to the Receiver, all or any portion of its rights and obligations under this Agreement to an Affiliate, *provided* that the Affiliate is capable of making the same representations and warranties herein and completing the Transactions by the Outside Date. Any purported assignment or delegation in violation of this Section 10.17 is null and void. No assignment or delegation will relieve the assigning or delegating party of any of its obligations hereunder.

10.18 Third Party Beneficiaries

Except with respect to: (a) ResidualCo as it relates to all rights, covenants, obligations and benefits in favour of the Company under this Agreement that survive Closing and are transferred to ResidualCo as an Excluded Liability at the Closing; (b) ResidualCo as it relates to all rights, covenants, obligations and benefits in favour of the Company under this Agreement that survive Closing and are transferred to ResidualCo as an Excluded Asset at the Closing; and (c) EDC as it relates to all rights, covenants, obligations and benefits in favour of EDC under this Agreement, including, without limitation, the releases granted pursuant to Section 5.4 and Section 5.5, and the issuance of the Rollover Note and related security pursuant to Section 6.2(e), this Agreement is for the sole benefit of the Parties, and nothing in this Agreement, express or implied, is intended to or will confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Any party who wishes to participate in the SISP (a “**Potential Bidder**”) must provide to the Receiver: (i) an executed NDA, (ii) a letter setting forth the identity of the Potential Bidder, the contact information for such Potential Bidder and full disclosure of the direct and indirect principals of the Potential Bidder, as well as a signed copy of the SISP confirming the Potential Bidder’s commitment to comply with the SISP, and (iii) any other information that the Receiver may reasonably request.
11. As soon as practicable, but, in any event, by no later than May 15, 2026, a confidential virtual data room (the “**Data Room**”) will be made available by the Receiver to each Potential Bidder who has satisfied the conditions set forth in paragraph 10 above and is otherwise deemed suitable to participate in the SISP by the Receiver. The Data Room will contain due diligence materials and information relating to the Debtor, the Property and the Business as the Receiver deems appropriate, and may also include interviews with former management representatives and/or former board members of the Debtor (other than any individuals who are involved or participating in the Stalking Horse Bid, or who have disclosed their interest as a Potential Bidder) and other matters which a Potential Bidder may reasonably request and as to which the Receiver, in its judgment may agree. The Receiver will designate one or more representatives to coordinate all reasonable requests for additional information and due diligence access from Potential Bidders and the manner in which such requests must be communicated. The Receiver will not be obligated to furnish any information relating to the Debtor, the Property or the Business to any person other than as is expressly provided for in the SISP. Furthermore, and for the avoidance of doubt, selected due diligence materials may be withheld from certain Potential Bidders if the Receiver determines that such access could negatively impact the fairness or integrity of the SISP, the ability to maintain the confidentiality of the

confidential information subject to the NDA, the Business or the Property or the realizable value thereof.

12. No representation or warranty is made as to the accuracy or completeness of the information in the Data Room. Potential Bidders and Bidders must rely solely on their own independent review, investigation and/or inspection of all such information and of the Property and the Business in connection with their participation in the SISP and any transaction they enter into with the Debtor in connection therewith. None of the Receiver or any of their respective directors, officers, employees, agents, representatives, advisors or estates shall be responsible for, and none of them will bear any liability with respect to, any information obtained by any person in connection with the SISP or the Opportunity.
13. Without limiting the generality of any term or condition of any NDA, and unless otherwise expressly agreed to by the Receiver or ordered by the Court, no Potential Bidder or Bidder shall be permitted to have any discussions with: (i) any counterparty to any contract with the Debtor (or any of them), any secured creditor of the Debtor, any current or former director, manager, shareholder, officer, member or employee of the Debtor (or any of them), other than in the normal course of business and wholly unrelated to the SISP and the Opportunity, or (ii) any other Potential Bidder or Bidder regarding the SISP or the Opportunity or any Bids submitted or contemplated to be submitted pursuant thereto. In the event that the Receiver consents to any such discussion pursuant to the terms hereof, such discussion shall be made in the presence of the Receiver.

Submission of Binding Bids

14. Any Bidder who wishes to make a binding offer shall submit a binding Bid in accordance with paragraph 15 below to the Receiver at the address specified in Schedule "A" hereto (including by email), which Bid shall be delivered by such bidder by no later than 5:00 p.m. (Toronto time) on June 5, 2026 (i.e., the Bid Deadline), or such other date or time as may be agreed by the Receiver, provided that any such extension complies with paragraph 8.
15. A Bid (other than the Stalking Horse Bid) must meet the following conditions:
 - (a) it has been received by the Bid Deadline;
 - (b) it includes an offer of total consideration equal to or greater than the Purchase Price (as defined in the Stalking Horse Bid) *plus* an expense reimbursement of up to \$50,000 (the "**Expense Reimbursement**") *plus* \$100,000 (the "**Total Consideration**");
 - (c) the Total Consideration must include a minimum cash component that is equal to or greater than: (i) the aggregate amount outstanding under the Receiver's First Borrowing Charge and the Receiver's Second Borrowings Charge (as those terms are defined in the Receivership Order), *plus* (ii) the amount of the Receiver's Expense Reserve (as defined in the Stalking Horse Bid), *plus* (iii) the Expense Reimbursement;

- (d) it must include a duly authorized and executed definitive transaction document (a “**Definitive Agreement**”) and a blackline against the Stalking Horse Bid reflecting any variations from the Stalking Horse Bid;
- (e) a Definitive Agreement shall include, among other things:
 - (i) an acknowledgement that the Bid is not conditional upon: (i) the outcome of unperformed due diligence by the Bidder, (ii) obtaining financing, or (iii) any other material closing condition, provided that a Bid may be conditional upon the Receiver obtaining the Approval Order (as defined below) and receiving the required approvals or amendments relating to the licences required to operate the Business and/or transfer of the Products, if necessary;
 - (ii) any and all conditions and approvals required to complete the closing of the transaction;
 - (iii) an acknowledgement that the Bidder is acquiring the Property and/or Business on an “as is, where is” basis and that the Bidder does not rely upon any written or oral statements, representations, warranties, or guarantees whatsoever, whether express, implied, statutory or otherwise, regarding the Property and/or Business or the completeness of any information provided in connection therewith, other than as expressly set out in the Definitive Agreement and agreed to by the Receiver and approved by the Court; and
 - (iv) all terms in respect of such Bid, as applicable;
- (f) it must include a letter stating that the Bidder’s offer contained in the Bid: (i) is irrevocable until approval of the Successful Bid by the Court, and (ii) if such Bidder is selected as a Successful Bidder or a Back-Up Bidder, its offer shall remain irrevocable until the closing of a Successful Bid;
- (g) it must include written evidence of a firm, irrevocable commitment for financing or other evidence of the Bidder’s ability to consummate the proposed transaction that will allow the Receiver, in consultation with EDC, to make a determination as to the Bidder’s financial and other capabilities to consummate the proposed transaction;
- (h) it must include written evidence, in form and substance satisfactory to the Receiver, of authorization and approval from the Bidder’s board of directors (or comparable governing body) with respect to the submission, execution and delivery of such Bid, and identification of any anticipated shareholder, regulatory or other approvals outstanding, and the anticipated process and timeframe and any anticipated impediments for obtaining such approvals;
- (i) it must not include any request for or entitlement to any break or termination fee, expense reimbursement or similar type of payment;

- (j) it must fully disclose the identity of each entity that will be entering into the transaction or the financing thereof, or that is otherwise participating in or benefiting from such Bid, and the direct and indirect principals thereof;
 - (k) it must include acknowledgements and representations of the Bidder that the Bidder:
 - (i) has, to its satisfaction, had an opportunity to conduct any and all due diligence regarding the Opportunity, the Debtor and the Property and/or Business prior to making its Bid;
 - (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or Property in making its Bid; and
 - (iii) promptly will commence any governmental or regulatory review of the proposed transaction by the applicable competition or other governmental authorities if such a review is required;
 - (l) it is accompanied by a cash deposit (the “**Deposit**”) which shall be in an amount to \$375,000 that shall be paid to the Receiver in trust, which Deposit shall be held and dealt with in accordance with these SISP Procedures;
 - (m) contains such other information as may be reasonably requested by the Receiver;
 - (n) contemplates that the Bidder will bear its own costs and expenses (including legal and advisor fees) in connection with the proposed transaction, and by submitting its Bid, is agreeing to refrain from and waive any assertion or request for reimbursement on any basis; and
 - (o) contemplates and reasonably demonstrates a capacity to close the transaction set out therein on or before June 30, 2026 (i.e., the Outside Date).
16. The Receiver, in consultation with EDC, shall be entitled to discuss and negotiate the Bids with the applicable Bidders prior to the Bid Deadline for purposes of amending or clarifying the terms and form thereof.

Qualified Bidders

17. A Bid received from a Bidder that includes all of the required bid terms and materials set out in paragraph 15 and is received by the Bid Deadline is a “**Qualified Bid**”, and such bidder is a “**Qualified Bidder**”. Notwithstanding the bid requirements detailed above, the Stalking Horse Bid shall be deemed a Qualified Bid and the Stalking Horse Bidder shall be deemed a Qualified Bidder.
18. The Receiver, in consultation with EDC, may waive compliance with any one or more of the requirements set out in paragraph 15 (other than the requirement set out in paragraph 15(b) and 15(c)) and deem such non-compliant Bid(s) to be a Qualified Bid(s).

Selected Bidders

19. Following the Bid Deadline, the Receiver, in consultation with EDC, will assess all Qualified Bids received. The Receiver, in consultation with EDC, may designate the most advantageous Qualified Bids that comply with the requirements set forth in paragraph 15 or are designated so under paragraph 18 to be “**Selected Bid(s)**” (and the Qualified Bidder(s) having made the Selected Bid(s) as “**Selected Bidder(s)**”). Only Selected Bidders shall be eligible to participate in the Auction and/or become the Successful Bidder. The Receiver shall advise all Qualified Bidders not designated as a Selected Bidder of such decision as soon as reasonably practicable. The Stalking Horse Bid shall be deemed to be a Selected Bid and the Stalking Horse Bidder shall be deemed to be a Selected Bidder.
20. The Receiver may, in consultation with EDC, following the receipt of any Qualified Bid, seek clarification with respect to any of the terms or conditions of such Qualified Bid and/or request and negotiate one or more amendments to such Qualified Bid before determining if the Qualified Bid should be designated as a Selected Bid pursuant to paragraph 19.
21. The Receiver, in consultation with EDC, may aggregate separate Qualified Bids from unaffiliated Qualified Bidders to create one Selected Bid.

Selection of Successful Bid

22. If one or more Selected Bids (excluding the Stalking Horse Bid) is received by the Bid Deadline, all such Selected Bidders shall proceed to an auction with the Stalking Horse Bidder (an “**Auction**”), which shall proceed according to the Auction Procedures set out below to identify the Successful Bidder. In such event, the Receiver shall determine, in its reasonable business judgment, which Selected Bid is the highest and/or best bid (the “**Lead Bid**”). In determining the Lead Bid, the Receiver may consider, without limitation: (i) the amount and nature of the consideration (it being understood that, all else being equal, cash consideration is preferable to non-cash consideration, with the value of any non-cash consideration being determined by the Receiver in its business judgment, in consultation with EDC), (ii) the proposed assumption of any liabilities and the related implied impact on recoveries for creditors, (iii) the Receiver’s assessment of the certainty of the Selected Bidder to close the proposed transaction, (iv) the likelihood, extent and impact of any potential delays in closing, (v) the net economic effect of any changes from the Stalking Horse Bid, (vi) the quantum of capital injected into the Business, and (vii) such other considerations as the Receiver deems relevant in its reasonable business judgment.
23. The “**Successful Bid**” will be (i) the Stalking Horse Bid, if no other Qualified Bid is received by the Bid Deadline or no other Qualified Bid is designated as a Selected Bid by the Receiver, (ii) in the event of an Auction, the highest and best Lead Bid or Overbid (each as defined below) as determined by the Receiver at the Auction, or (iii) a Selected Bid that is so designated by the Receiver in the event that the closing of a transaction that is approved by the Court pursuant to the Approval Order (as defined below) does not occur by the required date pursuant to the Successful Bid (or such date that may otherwise be mutually agreed upon between the Receiver and the Successful Bidder). The party that submitted the Successful Bid is referred to herein as the “**Successful Bidder**”.

24. At any stage of the SISP, the Receiver, in consultation with EDC, may ascribe monetary values to non-monetary terms of any Bid for the purposes of assessing and/or valuing such Bids, including without limitation, the value to be ascribed to any liabilities or contracts to be assumed or not assumed.

Auction Procedure

25. Only Selected Bidders shall be eligible to participate in the Auction. No later than 5:00 p.m. (Toronto time) on the business day prior to the Auction, each Selected Bidder must inform the Receiver whether it intends to participate in the Auction. The Receiver will promptly thereafter inform in writing, or cause to be informed in writing, each Selected Bidder who has expressed its intent to participate in the Auction (the “**Auction Participants**”) of the identity of all other Selected Bidders that have indicated their intent to participate in the Auction.
26. The Auction shall be governed by the following procedures:
- (a) **Participation at the Auction.** Only the Receiver, EDC, the Auction Participants and each of their respective advisors will be entitled to attend the Auction, and only the Auction Participants will be entitled to make any subsequent Overbids at the Auction. The Receiver shall provide all Auction Participants with the details of the Lead Bid by no later than 5:00 p.m. (Toronto time) on the business day prior to the Auction;
 - (b) **No Collusion.** Each Auction Participant shall be required to confirm on the record at the Auction that: (i) it has not engaged in any collusion with respect to the Auction and the SISP, and (ii) its bid and each subsequent Overbid is a good-faith, irrevocable offer, which, if accepted by the Receiver on the record of the Auction, forms a binding agreement between the parties, and that the Auction Participant intends to consummate the proposed transaction if selected as the Successful Bidder;
 - (c) **Minimum Overbid.** The Auction shall begin with the Lead Bid and any Bid made at the Auction by an Auction Participant subsequent to the Receiver’s announcement of the Lead Bid (each, an “**Overbid**”) must proceed in minimum additional increments of \$100,000 in cash, or as otherwise declared by the Receiver during the Auction with the approval of EDC;
 - (d) **Bidding Disclosure.** The Auction shall be conducted such that all Overbids will be made and received in one group video conference, on an open basis, and all Auction Participants will be entitled to be present for all bidding with the understanding that the true identity of each Auction Participant will be fully disclosed to all other Auction Participants and that all material terms of each subsequent Bid will be fully disclosed to all other Auction Participants throughout the entire Auction; provided, however, that the Receiver, in its discretion, may establish separate video conference rooms to permit interim, technical, or clarifying discussions between

the Receiver and individual Auction Participants with the understanding that all formal Overbids will be delivered in one group video conference, on an open basis;

- (e) **Bidding Conclusion.** The Auction shall continue in one or more rounds and will conclude after each Auction Participant has had and refused the opportunity to submit an Overbid with full knowledge of the then-existing highest Lead Bid or Overbid (as the case may be), at which time the Receiver will declare the Auction to be concluded;
 - (f) **No Post-Auction Bids.** No Overbids will be considered for any purpose after the Receiver has declared the Auction to be concluded; and
 - (g) **Auction Procedures.** The Receiver, in consultation with EDC, shall be at liberty to modify or to set additional procedural rules for the Auction as it sees fit.
27. During the Auction, the Receiver, in consultation with EDC, will:
- (a) review Selected Bids and Overbids, as the case may be, considering the factors set out in paragraph 26, among others; and
 - (b) identify the highest or otherwise best Selected Bid or Overbid received at any given time during the Auction, and, in consultation with EDC, designate the highest or otherwise best Selected Bid or Overbid at the conclusion of the Auction as the Successful Bid, and the Selected Bidder making such bid the Successful Bidder.

Back-Up Bids

28. The Receiver may conditionally accept one or more (if for distinct and compatible transactions) Selected Bids, which acceptance will be conditional upon the failure of the transaction(s) contemplated by the Successful Bid to close (the “**Back-Up Bid**” and the Selected Bidder making such Back-Up Bid being the “**Back-Up Bidder**”).

Sale Approval Motion Hearing

29. The Successful Bid and any Back-Up Bid(s) shall be selected by no later than June 12, 2026 (if no Auction is held) or June 15, 2026 (if an Auction is held), and the Receiver shall provide notice of such decision to the applicable Successful Bidder and Back-Up Bidder(s) as soon as reasonably practicable thereafter. The definitive documentation in respect of the Successful Bid must be finalized and executed by no later than June 22, 2026, which definitive documentation shall be conditional only upon the receipt of the Approval Order (as defined below) and the express conditions set out therein and shall provide that the Successful Bidder shall use all reasonable efforts to close the proposed transaction by no later than the Outside Date, or such longer period as may be agreed to by the Receiver, with the prior written consent of EDC and the applicable Successful Bidder.
30. The Receiver shall apply to the Court for one or more orders (the “**Approval Motion**”):
- (i) approving the Successful Bid and any Back-Up Bid(s) and authorizing the taking of such steps and actions and completing such transactions as are set out therein or required

thereby, and (ii) granting a vesting order and/or reverse vesting order to the extent that such relief is contemplated by such Successful Bid, as applicable, so as to vest title to any purchased assets in the name of the applicable Successful Bidder and/or vesting unwanted liabilities out of the Debtor (collectively, the “**Approval Order**”). The Approval Motion will be held on a date to be scheduled by the Receiver, in consultation with EDC and the Successful Bidder and any Back-Up Bidder(s), and confirmed by the Court, which shall use its best efforts to schedule the Approval Motion by no later than June 30, 2026, subject to the Court’s availability and the terms hereof. With the consent of EDC and the Successful Bidder and any Back-Up Bidder(s), the Approval Motion may be adjourned or rescheduled without further notice, by an announcement of the adjourned date at the Approval Motion or in a notice to the service list of the Receivership Proceedings (the “**Service List**”) prior to the Approval Motion. The Receiver shall consult with EDC and the Successful Bidder and any Back-Up Bidder(s) regarding the motion materials to be filed for the Approval Motions.

31. All the Selected Bids other than the Successful Bid and the Back-Up Bid(s), if any, shall be deemed to be rejected by the Receiver on and as of the date of approval of the Successful Bid by the Court with no further or continuing obligation on the Receiver to such unsuccessful Selected Bidder(s), except for the return of the Deposit pursuant to paragraph 35.
32. If a Successful Bidder fails to close the transaction contemplated by the Successful Bid on or before the Outside Date for any reason, then the Receiver will be deemed to have accepted the Back-Up Bid(s), if any, and will proceed with the transaction pursuant to the terms thereof. The Back-Up Bid(s) shall remain open for acceptance until the closing of the Successful Bid, or such other later date as the Receiver and the Back-Up Bidder may agree, acting reasonably (the “**Back-Up Bid Expiration Date**”).

Participation of Secured Lenders and EDC

33. Nothing in this SISP shall prohibit a secured creditor of the Debtor: (a) from participating as a Bidder in the SISP, or (b) committing to credit bid its secured debt in the SISP, provided that such credit bid provides for the payment in full in cash of any senior ranking obligations.
34. For greater certainty, EDC has advised the Receiver that it will not submit a Bid in the SISP.
35. Subject to any order of the Court, and notwithstanding anything to the contrary contained herein: (a) EDC’s decision not to submit a Bid in the SISP will not disqualify it from supporting any Bid(s) by agreeing to convert its debt to equity or to otherwise be treated as an unaffected creditor in the transaction proposed in such Bid(s), and (b) EDC’s decision to provide any such support shall not affect any of its rights hereunder, including its consultation and consent rights.

Deposits

36. Any Deposit shall be held by the Receiver in a single interest-bearing account designated solely for such purpose. A Deposit paid by a Successful Bidder shall be dealt with in accordance with the definitive documents for the transactions contemplated by the applicable Successful Bid. Deposits, and any interest thereon, paid by Qualified Bidders not selected as either a Successful Bidder or a Back-Up Bidder shall be returned to such Qualified Bidders within three (3) business days of Court approval of the Successful Bid. In the case of Back-Up Bid(s), the Deposit and any interest earned thereon shall be retained by the Receiver until the Back-Up Bid Expiration Date and returned to the Back-Up Bidder within three (3) business days thereafter or, if the Back-Up Bid(s) becomes a Successful Bid, shall be dealt with in accordance with the definitive documents for the transaction contemplated by the Back-Up Bid(s).
37. Except to the extent otherwise set forth in a definitive sale or investment agreement with the Successful Bidder, any sale of the Property or investment in the Business of the Debtor will be on an "as is, where is" basis and without surviving representation or warranties of any kind, nature, or description by the Receiver or any of their respective directors, officers, employees, agents, representatives, advisors or estates, and, in the event of a sale, all of the right, title and interest of the Debtor in and to the Property to be acquired will be sold free and clear of all pledges, liens, security interests, encumbrances, financial and monetary claims and charges, options and interests therein and thereon pursuant to Court order(s), to the extent that the Court deems it appropriate to grant such relief and except as otherwise provided in such Court order(s).

Further Orders

38. At any time during the SISP, the Receiver may apply to the Court for advice and directions with respect to any aspect of the SISP, including, but not limited to, the continuation of the SISP or the discharge of its powers and duties hereunder.

Confidentiality and Access to Information

39. Unless expressly provided for herein, participants and prospective participants in the SISP shall not be permitted to receive any information that is not made generally available to all participants relating to the number or identity of Potential Bidders, Qualified Bidders, Selected Bidders or Successful Bidder, or the details of any Bids submitted or the details of any confidential discussions or correspondence between the Receiver and such other Potential Bidders, Bidders, Qualified Bidders, Selected Bidders or Successful Bidder in connection with the SISP, except to the extent that the Receiver (in consultation with EDC, and with the consent of the applicable Bidders) are seeking to combine separate Qualified Bids to form a Selected Bid pursuant to the terms hereof.
40. All discussions regarding a Bid in the SISP should be directed through the Receiver. Under no circumstances should the former management of the Debtor be contacted directly without the prior written consent of the Receiver. For greater certainty, the Receiver shall be present at any discussions between any Potential Bidder, Bidder, Qualified Bidder,

Selected Bidder or Successful Bidder and any former directors, officers, employees, agents, representatives, and advisors of the Debtor. Any such unauthorized contact or communication will result in the immediate disqualification of such Potential Bidder, Bidder, Qualified Bidder, Selected Bidder or Successful Bidder from the SISP, unless otherwise agreed to by the Receiver and EDC.

Additional Terms

41. In addition to any other requirement of the SISP:
 - (a) The Receiver shall at all times prior to the selection of the Successful Bid use commercially reasonable efforts to facilitate a competitive bidding process in the SISP including, without limitation, by actively soliciting participation by persons who would be customarily identified as high potential bidders in a process of this kind or who may be reasonably proposed by any of the Debtor's stakeholders as a high potential bidder.
 - (b) Any consent, approval or confirmation to be provided by the Receiver or EDC hereunder is ineffective unless provided expressly in writing and any approval required pursuant to the terms hereof is in addition to, and not in substitution for, any other approvals required by the Receivership Proceedings or any agreement between such parties or as otherwise required at law in order to implement a Successful Bid. For the avoidance of doubt, a consent, approval or confirmation provided by email shall be deemed to have been provided in writing for the purposes of this paragraph (b).
 - (c) Prior to seeking the Court's approval for any transaction or Successful Bid or Back-Up Bid(s) contemplated by these SISP Procedures, the Receiver will provide a report to the Court regarding the SISP and the Successful Bid and any Back-Up Bid(s), parts of which may be filed under seal, including in respect of any and all Bids received.
42. The Receiver shall oversee and conduct the SISP in all respects and will participate in the SISP in the manner set out in the SISP and Stalking Horse Approval Order, including these SISP Procedures, the Receivership Order and any other orders of the Court, and is entitled to receive all information in relation to the SISP. In the event that there is disagreement as to the interpretation or application of the SISP, the Court will have the jurisdiction to hear and resolve such dispute.
43. The SISP does not and will not be interpreted to create any liability, obligation, contractual or other legal relationship between the Receiver or EDC on the one hand, and any Potential Bidder, Bidder, Qualified Bidder, Selected Bidder and/or any other party on the other hand, other than as specifically set forth in a definitive agreement executed by the Debtor with the approval of the Receiver and EDC.
44. Without limiting the generality of the preceding paragraph, none of the Receiver or EDC shall have any liability or obligation whatsoever to any person or party (including to one another), including, without limitation, any Potential Bidder, Bidder, Qualified Bidder,

Selected Bidder or Successful Bidder, or any other creditor or other stakeholder of the Debtor, for any act or omission related to the process contemplated by these SISP Procedures. By submitting a Bid, each respective interested party shall be deemed to have agreed that it has no claim against the Receiver or EDC for any reason whatsoever in relation to the SISP or the Opportunity, other than as specifically set forth in a definitive agreement executed by the Receiver with the approval of the Court.

45. Participants in the SISP are responsible for all costs, expenses and liabilities, including, without limitation, finder's fees, broker's fees or any similar fees, incurred by them in connection with the submission of any Bid, due diligence activities, the Auction and any further negotiations or other actions whether or not they lead to the consummation of a transaction. Neither the Receiver nor EDC shall be liable to any person for any claim for brokerage commission, finder's fee or like payment in respect of the consummation of any transaction arising out of or in connection with the SISP. Any such claim shall be the sole liability of the parties that submitted such Successful Bid and shall not affect the consideration to be paid by the Successful Bidder under the applicable Successful Bid.
46. Notwithstanding anything contained herein, with the consent of EDC, the Receiver may at any time: (i) remove any portion of the Property and/or Business from the SISP, (ii) bring a motion to the Court to seek approval of a sale of, or investment in, all or part of the Property and/or Business whether or not such sale or investment is in accordance with the terms or timelines set out in the SISP, and (iii) establish further or other procedures for the SISP, provided that the Service List shall be advised of any material modification to these SISP Procedures.
47. The Receiver, with the prior written consent of EDC, and in accordance with these SISP Procedures, shall have the right to modify the SISP if, in its reasonable business judgment, such modification would enhance the process or better achieve the objectives of the SISP; provided that the Service List shall be advised of any material modification to these SISP Procedures.

6. **THIS COURT ORDERS** that if any Records are stored or otherwise contained on a computer or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer or other system and providing the Receiver with any and all access codes, account names and account numbers that may be required to gain access to the information.

7. **THIS COURT ORDERS** that the Receiver shall provide each of the relevant landlords with notice of the Receiver's intention to remove any fixtures from any leased premises at least seven (7) days prior to the date of the intended removal. The relevant landlord shall be entitled to have a representative present in the leased premises to observe such removal and, if the landlord

disputes the Receiver's entitlement to remove any such fixture under the provisions of the lease, such fixture shall remain on the premises and shall be dealt with as agreed between any applicable secured creditors, such landlord and the Receiver, or by further Order of this Court upon application by the Receiver on at least two (2) days notice to such landlord and any such secured creditors.

NO PROCEEDINGS AGAINST THE RECEIVER

8. **THIS COURT ORDERS** that no proceeding or enforcement process in any court or tribunal (each, a "**Proceeding**"), shall be commenced or continued against the Receiver except with the written consent of the Receiver or with leave of this Court.

NO PROCEEDINGS AGAINST THE DEBTOR OR THE PROPERTY

9. **THIS COURT ORDERS** that no Proceeding against or in respect of the Debtor or the Property shall be commenced or continued except with the written consent of the Receiver or with leave of this Court and any and all Proceedings currently under way against or in respect of the Debtor or the Property are hereby stayed and suspended pending further Order of this Court.

NO EXERCISE OF RIGHTS OR REMEDIES

10. **THIS COURT ORDERS** that all rights and remedies against the Debtor, the Receiver, or affecting the Property, are hereby stayed and suspended except with the written consent of the Receiver or leave of this Court, provided however that this stay and suspension does not apply in respect of any "eligible financial contract" as defined in the BIA, and further provided that nothing in this paragraph shall (i) empower the Receiver or the Debtor to carry on any business which the Debtor is not lawfully entitled to carry on, (ii) exempt the Receiver or the Debtor from compliance with statutory or regulatory provisions relating to health, safety or the environment, (iii) prevent

the filing of any registration to preserve or perfect a security interest, or (iv) prevent the registration of a claim for lien.

NO INTERFERENCE WITH THE RECEIVER

11. **THIS COURT ORDERS** that no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by the Debtor, without written consent of the Receiver or leave of this Court.

EXCEPTION TO STAY OF PROCEEDINGS

12. **THIS COURT ORDERS** that nothing in this Order, including the stay of proceedings set out herein, shall prevent or restrict the continuation, prosecution, hearing, determination, or enforcement of the amended motion commenced by the Debtor on October 17, 2025 in Court File No. CV-25-00739279-00CL, styled *In the Matter of a Plan or Compromise of Arrangement of 1001270243 Ontario Inc.* (the “**Excluded Motion**”) and the stay of proceedings shall not apply to the Excluded Motion and any related or ancillary motion or any steps taken in connection therewith.

CONTINUATION OF SERVICES

13. **THIS COURT ORDERS** that all Persons having oral or written agreements with the Debtor or statutory or regulatory mandates for the supply of goods and/or services, including without limitation, all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services to the Debtor are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Receiver, and that the Receiver shall be entitled to the continued use of the Debtor’s current

telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the date of this Order are paid by the Receiver in accordance with normal payment practices of the Debtor or such other practices as may be agreed upon by the supplier or service provider and the Receiver, or as may be ordered by this Court.

RECEIVER TO HOLD FUNDS

14. **THIS COURT ORDERS** that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the “**Post Receivership Accounts**”) and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further Order of this Court.

EMPLOYEES

15. **THIS COURT ORDERS** that any and all employees of the Debtor shall remain the employees of the Debtor until such time as the Receiver, on the Debtor’s behalf, may terminate the employment of any such employees. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*.

PIPEDA

16. **THIS COURT ORDERS** that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver may disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a “**Sale**”). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

17. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, “**Possession**”) of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario Water Resources Act*, or the *Ontario Occupational Health and Safety Act* and regulations thereunder (the “**Environmental**

Legislation”), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver’s duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER’S LIABILITY

18. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER’S ACCOUNTS

19. **THIS COURT ORDERS** that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the “**Receiver’s Charge**”) on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver’s Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

20. **THIS COURT ORDERS** that the Receiver and its legal counsel shall pass its accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

21. **THIS COURT ORDERS** that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

22. **THIS COURT ORDERS** that the Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$400,000 (or such greater amount as this Court may by further order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures and the fees and disbursements of the Receiver and its counsel. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the **“Receiver’s Borrowings Charge”**) as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, fees, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver’s Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

23. **THIS COURT ORDERS** that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

24. **THIS COURT ORDERS** that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "A" hereto (the "**Receiver's Certificates**") for any amount borrowed by it pursuant to this Order.

25. **THIS COURT ORDERS** that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.

ENDORSEMENT OF JUSTICE J. DIETRICH:

Introduction

- [1] Export Development Canada (“**EDC**”) seeks an order appointing Richter Inc. (“**Richter**”) as receiver of the property of Synaptive Medical Inc. (“**Synaptive**”) pursuant to s. 243 of the *Bankruptcy and Insolvency Act* (the “**BIA**”) and s. 101 of the *Courts of Justice Act* (the “**CJA**”).
- [2] Synaptive consents to the relief requested by Richter. No person appearing raises any opposition to the relief requested by EDC.
- [3] Defined terms used but not defined herein have the meaning given to them in the factum of EDC filed in support of the relief requested.

Background

- [4] Synaptive is a privately-held Canadian medical technology company specializing in neuro-imaging and precision intervention. Synaptive was incorporated pursuant to the *Business Corporations Act* (Ontario). Synaptive leases two industrial/commercial facilities in Ontario from which it operates: one in London and one in Mississauga. Synaptive’s assets include a global intellectual property (“**IP**”) portfolio, made up of patents, licenses, trademarks, and trade secrets. As of March 2025, Synaptive has filed over 1,275 patent applications in a number of jurisdictions, including Canada, the U.S., Europe, China, and Japan.

CCAA Proceedings & Status of WEPPA Motion

- [5] In March 2025, Synaptive commenced the **CCAA Proceedings (Court File CV-25-00739279-00CL)** in which Richter was appointed as Monitor. In June 2025, Synaptive exited the CCAA Proceedings as a going-concern after the issuance of an Approval and Reverse Vesting Order. The transaction approved by that order closed on June 26, 2025. At that time, Synaptive was removed as an applicant in the CCAA Proceedings, and 1001270243 Ontario Inc. (the “**ResidualCo**”) was added in its stead. Synaptive is no longer a party to the CCAA Proceedings.
- [6] The CCAA Proceedings, however, remain ongoing due to an outstanding dispute regarding the entitlement of terminated employees of Synaptive to relief under the *Wage Earner Protection Program Regulations* (Canada). A full day motion is currently scheduled in that proceeding for May 5, 2026. However, Mr. Hatnay takes the position on behalf certain of the terminated employees that the

Receivership changes the landscape for that motion. Other parties, including the Department of Justice need to understand this position, obtain instructions and respond. Accordingly, the full-day hearing on May 5, 2026 is vacated and a **30 minute case conference is scheduled in the CCAA Proceedings for 10:00 am on May 5, 2026** before me to discuss rescheduling of that outstanding motion. Aide Memoire are to be uploaded no later than end of day on May 1, 2026 in respect of that case conference.

EDC Indebtedness

- [7] As of April 16, 2026, Synaptive is indebted to EDC as follows:
- (a) pursuant to the terms of the Senior Note in the total amount of USD \$6,392,000 exclusive of enforcement costs (the “Senior Note Indebtedness”); and
 - (b) pursuant to the terms of the Junior Note in the total amount of USD \$12,166,512.42, exclusive of enforcement (the “Junior Note Indebtedness”, and together with the Senior Note Indebtedness, the “Indebtedness”).
- [8] The Indebtedness is secured by general security agreements delivered by Synaptive to EDC dated June 26, 2025. Counsel to Richter as proposed Receiver has provided Richter with an opinion, that subject to typical qualifications and assumptions the security held by EDC over the assets of Synaptive is valid and enforceable.

Recent Events

- [9] Synaptive is now facing an urgent liquidity crisis. In April 2026, Synaptive defaulted on its obligations to EDC by, among other things, becoming insolvent, admitting in writing its inability to pay its indebtedness generally as it becomes due, and threatening to cease to carry on all or a substantial part of its business.
- [10] On or around April 17, 2026, Synaptive furloughed approximately 90 of its employees, leaving only 4 employees. Some of the employees are employed by Synaptive USA, Inc., which EDC understands is Synaptive’s U.S. sister corporation.
- [11] As well, since that time, all but one of Synaptive’s directors have resigned, and EDC has been advised by Synaptive’s legal counsel that the remaining director intends to resign imminently.
- [12] On April 17, 2026, Fasken issued separate demand letters to Synaptive, on behalf of EDC, notifying Synaptive of certain Defaults, demanding repayment of the Indebtedness owing under the Senior Note and the Junior Note, and enclosing 244 Notices (the “**Demand Letters**”). Synaptive has waived the ten (10) day notice period prescribed by the 244 Notices (the “**Waivers**”) and has consented to the issuance of the Receivership Order.
- [13] Since delivering the Demand Letters and 244 Notices, certain of Synaptive’s employees have come forward with a potential transaction that would result in an equity injection of approximately USD \$6,000,000. The employees are working with Richter to determine the terms of the potential transaction.
- [14] Registrations under the PPSA have also been made against Synaptive by De Lage Landen Financial Services, Hewlett-Packard Financial Services Canada Company, and Royal Bank of Canada. Pacer Air Freight Ltd. also asserts a lien over certain property of Synaptive, and appears today but takes no position.

Issue

[15] The issue before the Court is whether the Receiver should be appointed over the assets of Synaptive.

Analysis

[16] The test for the appointment of a receiver under s. 243 of the BIA or s. 101 of the CJA is whether it is just or convenient.

[17] In determining whether it is just or convenient to appoint a receiver the court must have regard to all of the circumstances of the case particularly the nature of the property and the rights and interests of all parties in relation to the property: see *Bank of Nova Scotia v Freure Village of Clair Creek*, [1996] OJ No 5088 at para 10. While the appointment of a receiver is generally an extraordinary equitable remedy, where the rights of the secured creditor include, pursuant to the terms of its security, the right to seek the appointment of a receiver, the burden on the applicant is lessened: see *Elleway Acquisition Ltd v Cruise Professionals Ltd.*, 2013 ONSC 6866 at para 27.

[18] As summarized by Justice Osborne (as he then was) in *Canadian Equipment Finance and Leasing Inc. v. The Hypoint Company Limited*, 2022 ONSC 6186 at para 25, a number of factors have historically been taken into account in the determination of whether it is appropriate to appoint a receiver. The factors are not a checklist, but rather a collection of considerations to be viewed holistically.

[19] In this case, it is just and convenient to appoint a receiver. There is no dispute that Synaptive owes significant amounts to EDC and that the Indebtedness is in default.

[20] Under the terms of its security, EDC is entitled to apply to the Court for the appointment of a receiver upon default.

[21] EDC has demanded repayment of the total indebtedness and issued the 244 Notices. Synaptive has consented to the waiver of the 10-day notice period under the 244 Notices and has consented to the appointment of the Receiver.

[22] Richter is qualified to act as receiver and has consented to do so. Richter also has familiarity with the assets of Synaptive from its role as Monitor in the CCAA Proceedings.

[23] The terms of the proposed receivership order are appropriate and consistent with the Model Order of the Commercial List.

Disposition

ENDORSEMENT OF JUSTICE J. DIETRICH:

- [1] A motion in respect of entitlement under the Wage Earner Protection Program Act was scheduled to be heard today (the "**WEPP Motion**"). The history of that motion involved a reverse vesting order made in these proceedings involving Synaptive Medical Inc. ("**Synaptive**"). Synaptive had previously emerged from these CCAA Proceedings as part of the transaction approved by that order.
- [2] However, on April 28, 2026, I granted an order appointing Richter Inc. as receiver of the assets of Synaptive. During the hearing for that receivership order, counsel to certain of Synaptive's former employees (the "**Former Employees**"), indicated their position was that the receivership order created new legal issues and/or materially affects the existing legal issues in the WEPP Motion. The Attorney General of Canada, counsel to Employment and Social Development Canada, indicated its intention to respond to any such new and/or affected legal issues.
- [3] The parties have now agreed on the following schedule:
- (a) Supplemental Record and factum of Synaptive and or the Former Employees, if any to be delivered on or before May 15, 2026;
 - (b) Responding Supplemental Record and factum of Attorney General, if any, to be delivered on or before May 27, 2026;
 - (c) Reply factum of Synaptive and or the Fromer Employees, if any, to be delivered on or before June 2, 2026;
 - (d) Settlement Conference (to take place outside of Court) by no later than June 8, 2026; and
 - (e) **Hearing, one full day June 10, 2026.**
- [4] All material is to be uploaded to case center no later than end of day June 8, 2026, including an aide memoire with an update on the status of settlement discussions.

ENDORSEMENT OF JUSTICE JANE O. DIETRICH:

- [1] Richter Inc. as court-appointed receiver (the "**Receiver**") of Synaptive Medical Inc. (the "**Debtor**") seeks two orders.

- [2] First, an order (the "**SISP Approval Order**") approving:
- a. a sale and investment solicitation process (the "**SISP**");
 - b. a Stalking Horse Agreement among the Receiver and 1001599818 Ontario Inc. (the "**Stalking Horse Bidder**") dated May 8, 2026 for use in the SISP;
 - c. an expense reimbursement in favour of the Stalking Horse Bidder; and
 - d. the pre-filing report of the Receiver dated April 27, 2026 (the "**Pre-Filing Report**") and the First Report of the Receiver dated May 7, 2026 (the "**First Report**").
- [3] Second, an Amended and Restated Receivership Order is sought providing for Receiver's Borrowings from Export Development Canada ("**EDC**") and from the Stalking Horse Bidder, with the Receiver's Borrowings from EDC having priority over those from the Stalking Horse Bidder.
- [4] There is no opposition to the relief sought by the Receiver.
- [5] Defined terms used but not otherwise defined herein have the meaning provided to them in the factum of the Receiver filed for use on this motion.
- [6] Synaptive is a privately held medical device and technology company specializing in hardware and software products focused on surgical planning and navigation, robotic digital microscopy, and magnetic resonance imaging. The Receiver was appointed by order dated April 28, 2026. As noted in my endorsement of that day, Synaptive had previously been granted protection under the Companies' Creditors Arrangement Act on March 19, 2025 (the "**CCAA Proceedings**"). A sale and investment solicitation process was run in the CCAA Proceedings. As result of a reverse vesting transaction approved in the CCAA Proceedings, Synaptive emerged from those proceedings on June 26, 2025.
- [7] The Receivership Order was granted, on consent, after certain defaults by Synaptive under Notes owed to EDC. Since the Receivership began, all of Synaptive's directors and employees in Canada have resigned or been terminated by the Receiver. The Receiver has engaged certain former employees on an independent contractor basis to assist with certain accounting functions, maintaining patent renewals and other IP maintenance actions, among other things.
- [8] The Receiver has engaged in discussions and negotiations with a group of former management employees about their intention to raise further equity investment in Synaptive. This investor group is represented by the Stalking Horse Bidder.

- [9] The Stalking Horse Bidder has offered financing up to \$1,000,000 for the Receiver to fund (i) the Receivership Proceedings, (ii) certain required patent and business maintenance costs, and (iii) the implementation of the SISP (the “**Stalking Horse Bidder’s Funding**”). Advances pursuant to the Stalking Horse Bidder’s Funding will be secured on a super-priority basis by a second Receiver’s Borrowings Charge (the “**Second Receiver’s Borrowings Charge**”, which is sought on this motion) behind the Receiver’s Charge and the existing Receiver’s Borrowings Charge. The Stalking Horse Bidder intends to credit bid the amounts advanced under the Second Receiver’s Borrowings Charge as part of the consideration offered in the Stalking Horse Bid. In the event, the Stalking Horse Bid is the successful bid in the SISP but the transaction contemplated by the Stalking Horse Agreement does not close due to the Stalking Horse Bidder’s breach or default, the agreement between the parties, for which approval is now sought, is that Second Receiver’s Borrowing Charge will be subordinated and postponed to the obligations owed to EDC under the Senior Note.
- [10] The key terms of the Stalking Horse Agreement include: (i) cash consideration equal to all advances under the Receiver’s Charge and Receiver’s Borrowings Charges (other than any portion of such charges which are credit bid), plus an expense reserve for the Receiver’s post-closing costs; (ii) a working capital injection of \$5 million (less the cash consideration); and (iii) the rollover of the Senior Note into a new Rollover Note in favour of EDC for US\$6 million at an interest rate of 8.0% per annum. As noted above, the Stalking Horse Bidder also intends to credit bid all amounts advanced under the Stalking Horse Bidder’s Funding as secured by a second Receiver’s Borrowings Charge.
- [11] The Stalking Horse Agreement includes some bid protection elements, including an expense reimbursement to the Stalking Horse Bidder of \$50,000 (in the event that the Stalking Horse Agreement is not the successful bid) and an overbid amount to be determined by the Receiver, which is presently set at \$100,000. The expense reimbursement is less than 1% of the total consideration under the Stalking Horse Agreement.
- [12] In addition to conducting the CCAA SISP less than a year ago, Richter has continued to assist Synaptive in its capacity as Financial Advisor. The SISP timeline envisions a one-phase SISP with a deadline for submission of Bids by June 5, 2026 with a potential auction to occur on June 15, 2026 if other qualified bidders emerge. The entire process is anticipated to be contemplated to be completed by June 30, 2026.
- [13] In considering whether to approve a SISP, the Court is to assess the reasonableness and adequacy of a receiver’s sales process in light of the approval factors that the Court will later use to assess a proposed sale: see *CCM Master Qualified Fund v blutip Power Technologies*, 2012 ONSC 1750 at para 6 [*CCM*]. Those factors, identified in the Ontario Court of Appeal’s decision in *Royal Bank of Canada v. Soundair Corp.* 1991 CanLII 2727 (ONCA) at para 16 include: (i) whether the receiver has made a sufficient effort to get the best price and has not acted improvidently; (ii) the efficacy and the integrity of the process

by which offers are obtained; (iii) whether there has been unfairness in the working out of the process; and (iv) the interests of all parties.

- [14] Accordingly, as set out in *CCM* at para 6, when reviewing a sales and marketing process proposed by a receiver a Court should assess: (i) the fairness, transparency and integrity of the proposed process; (ii) the commercial efficacy of the proposed process in light of the specific circumstances facing the receiver; and, (iii) whether the sales process will optimize the chances, in the particular circumstances, of securing the best possible price for the assets up for sale.
- [15] The use of stalking horse bids in insolvency sale processes, including in receivership proceedings is not unusual and in considering the use of such, the Court needs to balance the need to move quickly, to address the real or perceived deterioration of value of the business during a sale process or the limited availability of restructuring financing, with a realistic timetable that encourages and does not chill the auction process: see Para 8 of *CCM*.
- [16] I am satisfied in these circumstances that the SISP, including the Stalking Horse Agreement for use therein should be approved. The proposed SISP is fair and transparent. All prospective purchasers that execute an NDA will be provided with access to the data room containing additional information about Synaptive's Property. As well, the Receiver also consulted with and obtained approval from Synaptive's senior secured creditor, EDC, in the development of the SISP and of the Stalking Horse Agreement. The proposed SISP is commercially efficient in light of the circumstances faced by the Receiver including the Receiver's previous involvement with Synaptive and the recent sales process conducted in the CCAA Proceedings. Further, as noted by the Receiver without an expedited and efficient going concern sales process, Synaptive's medical device licenses would not be preserved. In addition, a key criteria for ensuring Synaptive's future success is the ability of a bidder to re-hire terminated employees. A prolonged sales process will have a negative impact on any bidder's ability to reengage employees who may accept other job offers if there is a material delay.
- [17] The Stalking Horse Bid does not include a break fee, but instead has an Expense Reimbursement of \$50,000, which represents less than 1% of the Total Consideration, as well as an overbid amount that the Receiver has set at \$100,000. The Receiver considers these to be reasonable in comparison to other stalking horse agreements it has reviewed, wherein similar provisions were approved in transactions of this nature. Based on this comparison, the Receiver is of the view that the Expense Reimbursement is reasonable to compensate the Stalking Horse Bidder for its costs and expenses in relation to entering into the Stalking Horse Agreement and is well below market standards. The Receiver maintains the discretion to amend the overbid amount, but is of the view that the present overbid amount will not chill third-party bidding during the SISP. Accordingly, I accept the Receiver's view that the Stalking Horse Bid in this circumstance is appropriate and is approved for use in the SISP as is the expense reimbursement.

- [18] To implement the Stalking Horse Bidder's Funding, the Receiver is seeking to amend and restate the Receivership Order as noted above. EDC has advised that Receiver that it will not provide funding to advance the SISP. Without the Stalking Horse Bidder's Funding and the super-priority for those funds, the Receiver advises that it would be forced to pivot to a liquidation, which would likely result in lower overall consideration received for the business or Property. The proposed Amended and Restated Receivership Order reflects the necessary changes to the court-ordered charges to facilitate the funding of the SISP and are approved.
- [19] The request to approve the Pre-Filing Report and the First Report is not unusual and there are good policy and practical reasons for doing so: see *Laurentian University of Sudbury*, 2022 ONSC 2927 at paras. 13-14. The observations in those cases while made in the context of a *Companies' Creditors Arrangement Act* proceeding apply to the activities of a court appointed receiver: see *Triple-I Capital Partners Limited v 12411300 Canada Inc*, 2023 ONSC 3400 at para 66. No opposition to the approval of the reports has been raised and the approval of the reports is appropriate in the circumstances as the Receiver has acted reasonably and in good faith. The draft order provided contains the typical language that only the Receiver is entitled to rely on the approval.
- [20] Orders to go in the form signed by me this day.

SALE AND INVESTMENT SOLICITATION PROCESS

SALE AND INVESTMENT SOLICITATION PROCESS

Introduction

1. On the application of Export Development Canada (“**EDC**”), the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) granted an order on April 28, 2026, (as amended, the “**Receivership Order**”) appointing Richter Inc. (“**Richter**”) as receiver and manager (in such capacity, the “**Receiver**”) of the assets, undertakings and properties of Synaptive Medical Inc. (the “**Debtor**”) (the “**Receivership Proceedings**”).
2. Pursuant to an order dated May 13, 2026 (the “**SISP and Stalking Horse Approval Order**”), the Court approved, among other things: (i) the subscription agreement (the “**Stalking Horse Bid**”) between the Receiver and 1001599818 Ontario Inc. 3. These SISP Procedures set forth the process and procedures for: (i) soliciting bids from interested parties for executable transactions that are superior to the transaction contemplated by the Stalking Horse Bid involving the Debtor’s properties, assets and undertakings (collectively, the “**Property**”, which includes the products of the Debtor (the “**Products**”)) and/or its business operations (the “**Business**”) including, without limitation, a sale of or investment in the Business, Property and/or shares of the Debtor and/or a reorganization, recapitalization, primary equity issuance or other similar transaction (the “**Opportunity**”), (ii) evaluating any such bids received (each a “**Bid**”) from any bidder in the SISP (each a “**Bidder**”), (iii) selecting any Successful Bid, and (iv) obtaining Court approval of any Successful Bid.
4. The SISP and Stalking Horse Approval Order (which includes these SISP Procedures) and any other orders of the Court made in the Receivership Proceedings relating to the SISP shall exclusively govern the process for soliciting and selecting Bids in respect of the Opportunity.
5. Unless otherwise indicated, capitalized terms used but not immediately defined are defined below.

6. The Receiver shall post on the Receiver’s website, as soon as possible, these SISP Procedures, along with any modification, amendment, variation or supplement to the SISP and inform Potential Bidders (defined below) reasonably impacted by any such modification, amendment, variation or supplement of same.

11. As soon as practicable, but, in any event, by no later than May 15, 2026, a confidential virtual data room (the “**Data Room**”) will be made available by the Receiver to each Potential Bidder who has satisfied the conditions set forth in paragraph 10 above and is otherwise deemed suitable to participate in the SISP by the Receiver. The Data Room will contain due diligence materials and information relating to the Debtor, the Property and the Business as the Receiver deems appropriate, and may also include interviews with former management representatives and/or former board members of the Debtor (other than any individuals who are involved or participating in the Stalking Horse Bid, or who have disclosed their interest as a Potential Bidder) and other matters which a Potential Bidder may reasonably request and as to which the Receiver, in its judgment may agree. The Receiver will designate one or more representatives to coordinate all reasonable requests for additional information and due diligence access from Potential Bidders and the manner in which such requests must be communicated. The Receiver will not be obligated to furnish any information relating to the Debtor, the Property or the Business to any person other than as is expressly provided for in the SISP. Furthermore, and for the avoidance of doubt, selected due diligence materials may be withheld from certain Potential Bidders if the Receiver determines that such access could negatively impact the fairness or integrity of the SISP, the ability to maintain the confidentiality of the

confidential information subject to the NDA, the Business or the Property or the realizable value thereof.

12. No representation or warranty is made as to the accuracy or completeness of the information in the Data Room. Potential Bidders and Bidders must rely solely on their own independent review, investigation and/or inspection of all such information and of the Property and the Business in connection with their participation in the SISP and any transaction they enter into with the Debtor in connection therewith. None of the Receiver or any of their respective directors, officers, employees, agents, representatives, advisors or estates shall be responsible for, and none of them will bear any liability with respect to, any information obtained by any person in connection with the SISP or the Opportunity.
13. Without limiting the generality of any term or condition of any NDA, and unless otherwise expressly agreed to by the Receiver or ordered by the Court, no Potential Bidder or Bidder shall be permitted to have any discussions with: (i) any counterparty to any contract with the Debtor (or any of them), any secured creditor of the Debtor, any current or former director, manager, shareholder, officer, member or employee of the Debtor (or any of them), other than in the normal course of business and wholly unrelated to the SISP and the Opportunity, or (ii) any other Potential Bidder or Bidder regarding the SISP or the Opportunity or any Bids submitted or contemplated to be submitted pursuant thereto. In the event that the Receiver consents to any such discussion pursuant to the terms hereof, such discussion shall be made in the presence of the Receiver.

Submission of Binding Bids

14. Any Bidder who wishes to make a binding offer shall submit a binding Bid in accordance with paragraph 15 below to the Receiver at the address specified in Schedule "A" hereto (including by email), which Bid shall be delivered by such bidder by no later than 5:00 p.m. (Toronto time) on June 5, 2026 (i.e., the Bid Deadline), or such later date or time as may be agreed by the Receiver, provided that any such extension complies with paragraph 8.
15. A Bid (other than the Stalking Horse Bid) must meet the following conditions:
 - (a) it has been received by the Bid Deadline;
 - (b) it includes an offer of total consideration equal to or greater than the Purchase Price (as defined in the Stalking Horse Bid) *plus* an expense reimbursement of up to \$50,000 (the "**Expense Reimbursement**") *plus* \$100,000 (the "**Total Consideration**");
 - (c) the Total Consideration must include a minimum cash component that is equal to or greater than: (i) the aggregate amount outstanding under the Receiver's First Borrowing Charge and the Receiver's Second Borrowing Charge (as those terms are defined in the Receivership Order), *plus* (ii) the amount of the Receiver's Expense Reserve (as defined in the Stalking Horse Bid), *plus* (iii) the Expense Reimbursement;

- (d) it must include a duly authorized and executed definitive transaction document (a “**Definitive Agreement**”) and a blackline against the Stalking Horse Bid reflecting any variations from the Stalking Horse Bid;
- (e) a Definitive Agreement shall include, among other things:
 - (i) an acknowledgement that the Bid is not conditional upon: (i) the outcome of unperformed due diligence by the Bidder, (ii) obtaining financing, or (iii) any other material closing condition, provided that a Bid may be conditional upon the Receiver obtaining the Approval Order (as defined below) and receiving the required approvals or amendments relating to the licences required to operate the Business and/or transfer of the Products, if necessary;
 - (ii) any and all conditions and approvals required to complete the closing of the transaction;
 - (iii) an acknowledgement that the Bidder is acquiring the Property and/or Business on an “as is, where is” basis and that the Bidder does not rely upon any written or oral statements, representations, warranties, or guarantees whatsoever, whether express, implied, statutory or otherwise, regarding the Property and/or Business or the completeness of any information provided in connection therewith, other than as expressly set out in the Definitive Agreement and agreed to by the Receiver and approved by the Court; and
 - (iv) all terms in respect of such Bid, as applicable;
- (f) it must include a letter stating that the Bidder’s offer contained in the Bid: (i) is irrevocable until approval of the Successful Bid by the Court, and (ii) if such Bidder is selected as a Successful Bidder or a Back-Up Bidder, its offer shall remain irrevocable until the closing of a Successful Bid;
- (g) it must include written evidence of a firm, irrevocable commitment for financing or other evidence of the Bidder’s ability to consummate the proposed transaction that will allow the Receiver, in consultation with EDC, to make a determination as to the Bidder’s financial and other capabilities to consummate the proposed transaction;
- (h) it must include written evidence, in form and substance satisfactory to the Receiver, of authorization and approval from the Bidder’s board of directors (or comparable governing body) with respect to the submission, execution and delivery of such Bid, and identification of any anticipated shareholder, regulatory or other approvals outstanding, and the anticipated process and timeframe and any anticipated impediments for obtaining such approvals;
- (i) it must not include any request for or entitlement to any break or termination fee, expense reimbursement or similar type of payment;

- (j) it must fully disclose the identity of each entity that will be entering into the transaction or the financing thereof, or that is otherwise participating in or benefiting from such Bid, and the direct and indirect principals thereof;
 - (k) it must include acknowledgements and representations of the Bidder that the Bidder:
 - (i) has, to its satisfaction, had an opportunity to conduct any and all due diligence regarding the Opportunity, the Debtor and the Property and/or Business prior to making its Bid;
 - (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or Property in making its Bid; and
 - (iii) promptly will commence any governmental or regulatory review of the proposed transaction by the applicable competition or other governmental authorities if such a review is required;
 - (l) it is accompanied by a cash deposit (the “**Deposit**”) which shall be in an amount to \$375,000 that shall be paid to the Receiver in trust, which Deposit shall be held and dealt with in accordance with these SISP Procedures;
 - (m) contains such other information as may be reasonably requested by the Receiver;
 - (n) contemplates that the Bidder will bear its own costs and expenses (including legal and advisor fees) in connection with the proposed transaction, and by submitting its Bid, is agreeing to refrain from and waive any assertion or request for reimbursement on any basis; and
 - (o) contemplates and reasonably demonstrates a capacity to close the transaction set out therein on or before June 30, 2026 (i.e., the Outside Date).
16. The Receiver, in consultation with EDC, shall be entitled to discuss and negotiate the Bids with the applicable Bidders prior to the Bid Deadline for purposes of amending or clarifying the terms and form thereof.

Qualified Bidders

17. A Bid received from a Bidder that includes all of the required bid terms and materials set out in paragraph 15 and is received by the Bid Deadline is a “**Qualified Bid**”, and such bidder is a “**Qualified Bidder**”. Notwithstanding the bid requirements detailed above, the Stalking Horse Bid shall be deemed a Qualified Bid and the Stalking Horse Bidder shall be deemed a Qualified Bidder.
18. The Receiver, in consultation with EDC, may waive compliance with any one or more of the requirements set out in paragraph 15 (other than the requirement set out in paragraph 15(b) and 15(c)) and deem such non-compliant Bid(s) to be a Qualified Bid(s).

Selected Bidders

19. Following the Bid Deadline, the Receiver, in consultation with EDC, will assess all Qualified Bids received. The Receiver, in consultation with EDC, may designate the most advantageous Qualified Bids that comply with the requirements set forth in paragraph 15 or are designated so under paragraph 18 to be “**Selected Bid(s)**” (and the Qualified Bidder(s) having made the Selected Bid(s) as “**Selected Bidder(s)**”). Only Selected Bidders shall be eligible to participate in the Auction and/or become the Successful Bidder. The Receiver shall advise all Qualified Bidders not designated as a Selected Bidder of such decision as soon as reasonably practicable. The Stalking Horse Bid shall be deemed to be a Selected Bid and the Stalking Horse Bidder shall be deemed to be a Selected Bidder.
20. The Receiver may, in consultation with EDC, following the receipt of any Qualified Bid, seek clarification with respect to any of the terms or conditions of such Qualified Bid and/or request and negotiate one or more amendments to such Qualified Bid before determining if the Qualified Bid should be designated as a Selected Bid pursuant to paragraph 19.
21. The Receiver, in consultation with EDC, may aggregate separate Qualified Bids from unaffiliated Qualified Bidders to create one Selected Bid.

Selection of Successful Bid

22. If one or more Selected Bids (excluding the Stalking Horse Bid) is received by the Bid Deadline, all such Selected Bidders shall proceed to an auction with the Stalking Horse Bidder (an “**Auction**”), which shall proceed according to the Auction Procedures set out below to identify the Successful Bidder. In such event, the Receiver shall determine, in its reasonable business judgment, which Selected Bid is the highest and/or best bid (the “**Lead Bid**”). In determining the Lead Bid, the Receiver may consider, without limitation: (i) the amount and nature of the consideration (it being understood that, all else being equal, cash consideration is preferable to non-cash consideration, with the value of any non-cash consideration being determined by the Receiver in its business judgment, in consultation with EDC), (ii) the proposed assumption of any liabilities and the related implied impact on recoveries for creditors, (iii) the Receiver’s assessment of the certainty of the Selected Bidder to close the proposed transaction, (iv) the likelihood, extent and impact of any potential delays in closing, (v) the net economic effect of any changes from the Stalking Horse Bid, (vi) the quantum of capital injected into the Business, and (vii) such other considerations as the Receiver deems relevant in its reasonable business judgment.
23. The “**Successful Bid**” will be (i) the Stalking Horse Bid, if no other Qualified Bid is received by the Bid Deadline or no other Qualified Bid is designated as a Selected Bid by the Receiver, (ii) in the event of an Auction, the highest and best Lead Bid or Overbid (each as defined below) as determined by the Receiver at the Auction, or (iii) a Selected Bid that is so designated by the Receiver in the event that the closing of a transaction that is approved by the Court pursuant to the Approval Order (as defined below) does not occur by the required date pursuant to the Successful Bid (or such date that may otherwise be mutually agreed upon between the Receiver and the Successful Bidder). The party that submitted the Successful Bid is referred to herein as the “**Successful Bidder**”.

24. At any stage of the SISP, the Receiver, in consultation with EDC, may ascribe monetary values to non-monetary terms of any Bid for the purposes of assessing and/or valuing such Bids, including without limitation, the value to be ascribed to any liabilities or contracts to be assumed or not assumed.

Auction Procedure

25. Only Selected Bidders shall be eligible to participate in the Auction. No later than 5:00 p.m. (Toronto time) on the business day prior to the Auction, each Selected Bidder must inform the Receiver whether it intends to participate in the Auction. The Receiver will promptly thereafter inform in writing, or cause to be informed in writing, each Selected Bidder who has expressed its intent to participate in the Auction (the “**Auction Participants**”) of the identity of all other Selected Bidders that have indicated their intent to participate in the Auction.
26. The Auction shall be governed by the following procedures:
- (a) **Participation at the Auction.** Only the Receiver, EDC, the Auction Participants and each of their respective advisors will be entitled to attend the Auction, and only the Auction Participants will be entitled to make any subsequent Overbids at the Auction. The Receiver shall provide all Auction Participants with the details of the Lead Bid by no later than 5:00 p.m. (Toronto time) on the business day prior to the Auction;
 - (b) **No Collusion.** Each Auction Participant shall be required to confirm on the record at the Auction that: (i) it has not engaged in any collusion with respect to the Auction and the SISP, and (ii) its bid and each subsequent Overbid is a good-faith, irrevocable offer, which, if accepted by the Receiver on the record of the Auction, forms a binding agreement between the parties, and that the Auction Participant intends to consummate the proposed transaction if selected as the Successful Bidder;
 - (c) **Minimum Overbid.** The Auction shall begin with the Lead Bid and any Bid made at the Auction by an Auction Participant subsequent to the Receiver’s announcement of the Lead Bid (each, an “**Overbid**”) must proceed in minimum additional increments of \$100,000 in cash, or as otherwise declared by the Receiver during the Auction with the approval of EDC;
 - (d) **Bidding Disclosure.** The Auction shall be conducted such that all Overbids will be made and received in one group video conference, on an open basis, and all Auction Participants will be entitled to be present for all bidding with the understanding that the true identity of each Auction Participant will be fully disclosed to all other Auction Participants and that all material terms of each subsequent Bid will be fully disclosed to all other Auction Participants throughout the entire Auction; provided, however, that the Receiver, in its discretion, may establish separate video conference rooms to permit interim, technical, or clarifying discussions between

the Receiver and individual Auction Participants with the understanding that all formal Overbids will be delivered in one group video conference, on an open basis;

- (e) **Bidding Conclusion.** The Auction shall continue in one or more rounds and will conclude after each Auction Participant has had and refused the opportunity to submit an Overbid with full knowledge of the then-existing highest Lead Bid or Overbid (as the case may be), at which time the Receiver will declare the Auction to be concluded;
- (f) **No Post-Auction Bids.** No Overbids will be considered for any purpose after the Receiver has declared the Auction to be concluded; and
- (g) **Auction Procedures.** The Receiver, in consultation with EDC, shall be at liberty to modify or to set additional procedural rules for the Auction as it sees fit.

27. During the Auction, the Receiver, in consultation with EDC, will:

- (a) review Selected Bids and Overbids, as the case may be, considering the factors set out in paragraph 26, among others; and
- (b) identify the highest or otherwise best Selected Bid or Overbid received at any given time during the Auction, and, in consultation with EDC, designate the highest or otherwise best Selected Bid or Overbid at the conclusion of the Auction as the Successful Bid, and the Selected Bidder making such bid the Successful Bidder.

Back-Up Bids

28. The Receiver may conditionally accept one or more (if for distinct and compatible transactions) Selected Bids, which acceptance will be conditional upon the failure of the transaction(s) contemplated by the Successful Bid to close (the “**Back-Up Bid**” and the Selected Bidder making such Back-Up Bid being the “**Back-Up Bidder**”).

Sale Approval Motion Hearing

29. The Successful Bid and any Back-Up Bid(s) shall be selected by no later than June 12, 2026 (if no Auction is held) or June 15, 2026 (if an Auction is held), and the Receiver shall provide notice of such decision to the applicable Successful Bidder and Back-Up Bidder(s) as soon as reasonably practicable thereafter. The definitive documentation in respect of the Successful Bid must be finalized and executed by no later than June 22, 2026, which definitive documentation shall be conditional only upon the receipt of the Approval Order (as defined below) and the express conditions set out therein and shall provide that the Successful Bidder shall use all reasonable efforts to close the proposed transaction by no later than the Outside Date, or such longer period as may be agreed to by the Receiver, with the prior written consent of EDC and the applicable Successful Bidder.

30. The Receiver shall apply to the Court for one or more orders (the “**Approval Motion**”):
(i) approving the Successful Bid and any Back-Up Bid(s) and authorizing the taking of such steps and actions and completing such transactions as are set out therein or required

thereby, and (ii) granting a vesting order and/or reverse vesting order to the extent that such relief is contemplated by such Successful Bid, as applicable, so as to vest title to any purchased assets in the name of the applicable Successful Bidder and/or vesting unwanted liabilities out of the Debtor (collectively, the “**Approval Order**”). The Approval Motion will be held on a date to be scheduled by the Receiver, in consultation with EDC and the Successful Bidder and any Back-Up Bidder(s), and confirmed by the Court, which shall use its best efforts to schedule the Approval Motion by no later than June 30, 2026, subject to the Court’s availability and the terms hereof. With the consent of EDC and the Successful Bidder and any Back-Up Bidder(s), the Approval Motion may be adjourned or rescheduled without further notice, by an announcement of the adjourned date at the Approval Motion or in a notice to the service list of the Receivership Proceedings (the “**Service List**”) prior to the Approval Motion. The Receiver shall consult with EDC and the Successful Bidder and any Back-Up Bidder(s) regarding the motion materials to be filed for the Approval Motions.

31. All the Selected Bids other than the Successful Bid and the Back-Up Bid(s), if any, shall be deemed to be rejected by the Receiver on and as of the date of approval of the Successful Bid by the Court with no further or continuing obligation on the Receiver to such unsuccessful Selected Bidder(s), except for the return of the Deposit pursuant to paragraph 36.
32. If a Successful Bidder fails to close the transaction contemplated by the Successful Bid on or before the Outside Date for any reason, then the Receiver will be deemed to have accepted the Back-Up Bid(s), if any, and will proceed with the transaction pursuant to the terms thereof. The Back-Up Bid(s) shall remain open for acceptance until the closing of the Successful Bid, or such other later date as the Receiver and the Back-Up Bidder may agree, acting reasonably (the “**Back-Up Bid Expiration Date**”).

Participation of Secured Lenders and EDC

33. Nothing in this SISP shall prohibit a secured creditor of the Debtor: (a) from participating as a Bidder in the SISP, or (b) committing to credit bid its secured debt in the SISP, provided that such credit bid provides for the payment in full in cash of any senior ranking obligations.
34. For greater certainty, EDC has advised the Receiver that it will not submit a Bid in the SISP.
35. Subject to any order of the Court, and notwithstanding anything to the contrary contained herein: (a) EDC’s decision not to submit a Bid in the SISP will not disqualify it from supporting any Bid(s) by agreeing to convert its debt to equity or to otherwise be treated as an unaffected creditor in the transaction proposed in such Bid(s), and (b) EDC’s decision to provide any such support shall not affect any of its rights hereunder, including its consultation and consent rights.

Deposits

36. Any Deposit shall be held by the Receiver in a single interest-bearing account designated solely for such purpose. A Deposit paid by a Successful Bidder shall be dealt with in accordance with the definitive documents for the transactions contemplated by the applicable Successful Bid. Deposits, and any interest thereon, paid by Qualified Bidders not selected as either a Successful Bidder or a Back-Up Bidder shall be returned to such Qualified Bidders within three (3) business days of Court approval of the Successful Bid. In the case of Back-Up Bid(s), the Deposit and any interest earned thereon shall be retained by the Receiver until the Back-Up Bid Expiration Date and returned to the Back-Up Bidder within three (3) business days thereafter or, if the Back-Up Bid(s) becomes a Successful Bid, shall be dealt with in accordance with the definitive documents for the transaction contemplated by the Back-Up Bid(s).
37. Except to the extent otherwise set forth in a definitive sale or investment agreement with the Successful Bidder, any sale of the Property or investment in the Business of the Debtor will be on an "as is, where is" basis and without surviving representation or warranties of any kind, nature, or description by the Receiver or any of their respective directors, officers, employees, agents, representatives, advisors or estates, and, in the event of a sale, all of the right, title and interest of the Debtor in and to the Property to be acquired will be sold free and clear of all pledges, liens, security interests, encumbrances, financial and monetary claims and charges, options and interests therein and thereon pursuant to Court order(s), to the extent that the Court deems it appropriate to grant such relief and except as otherwise provided in such Court order(s).

Further Orders

38. At any time during the SISP, the Receiver may apply to the Court for advice and directions with respect to any aspect of the SISP, including, but not limited to, the continuation of the SISP or the discharge of its powers and duties hereunder.

Confidentiality and Access to Information

39. Unless expressly provided for herein, participants and prospective participants in the SISP shall not be permitted to receive any information that is not made generally available to all participants relating to the number or identity of Potential Bidders, Qualified Bidders, Selected Bidders or Successful Bidder, or the details of any Bids submitted or the details of any confidential discussions or correspondence between the Receiver and such other Potential Bidders, Bidders, Qualified Bidders, Selected Bidders or Successful Bidder in connection with the SISP, except to the extent that the Receiver (in consultation with EDC, and with the consent of the applicable Bidders) are seeking to combine separate Qualified Bids to form a Selected Bid pursuant to the terms hereof.
40. All discussions regarding a Bid in the SISP should be directed through the Receiver. Under no circumstances should the former management of the Debtor be contacted directly without the prior written consent of the Receiver. For greater certainty, the Receiver shall be present at any discussions between any Potential Bidder, Bidder, Qualified Bidder,

Selected Bidder or Successful Bidder and any former directors, officers, employees, agents, representatives, and advisors of the Debtor. Any such unauthorized contact or communication will result in the immediate disqualification of such Potential Bidder, Bidder, Qualified Bidder, Selected Bidder or Successful Bidder from the SISP, unless otherwise agreed to by the Receiver and EDC.

Additional Terms

41. In addition to any other requirement of the SISP:
 - (a) The Receiver shall at all times prior to the selection of the Successful Bid use commercially reasonable efforts to facilitate a competitive bidding process in the SISP including, without limitation, by actively soliciting participation by persons who would be customarily identified as high potential bidders in a process of this kind or who may be reasonably proposed by any of the Debtor's stakeholders as a high potential bidder.
 - (b) Any consent, approval or confirmation to be provided by the Receiver or EDC hereunder is ineffective unless provided expressly in writing and any approval required pursuant to the terms hereof is in addition to, and not in substitution for, any other approvals required by the Receivership Proceedings or any agreement between such parties or as otherwise required at law in order to implement a Successful Bid. For the avoidance of doubt, a consent, approval or confirmation provided by email shall be deemed to have been provided in writing for the purposes of this paragraph (b).
 - (c) Prior to seeking the Court's approval for any transaction or Successful Bid or Back-Up Bid(s) contemplated by these SISP Procedures, the Receiver will provide a report to the Court regarding the SISP and the Successful Bid and any Back-Up Bid(s), parts of which may be filed under seal, including in respect of any and all Bids received.
42. The Receiver shall oversee and conduct the SISP in all respects and will participate in the SISP in the manner set out in the SISP and Stalking Horse Approval Order, including these SISP Procedures, the Receivership Order and any other orders of the Court, and is entitled to receive all information in relation to the SISP. In the event that there is disagreement as to the interpretation or application of the SISP, the Court will have the jurisdiction to hear and resolve such dispute.
43. The SISP does not and will not be interpreted to create any liability, obligation, contractual or other legal relationship between the Receiver or EDC on the one hand, and any Potential Bidder, Bidder, Qualified Bidder, Selected Bidder and/or any other party on the other hand, other than as specifically set forth in a definitive agreement executed by the Debtor with the approval of the Receiver and EDC.
44. Without limiting the generality of the preceding paragraph, none of the Receiver or EDC shall have any liability or obligation whatsoever to any person or party (including to one another), including, without limitation, any Potential Bidder, Bidder, Qualified Bidder,

Selected Bidder or Successful Bidder, or any other creditor or other stakeholder of the Debtor, for any act or omission related to the process contemplated by these SISP Procedures. By submitting a Bid, each respective interested party shall be deemed to have agreed that it has no claim against the Receiver or EDC for any reason whatsoever in relation to the SISP or the Opportunity, other than as specifically set forth in a definitive agreement executed by the Receiver with the approval of the Court.

45. Participants in the SISP are responsible for all costs, expenses and liabilities, including, without limitation, finder's fees, broker's fees or any similar fees, incurred by them in connection with the submission of any Bid, due diligence activities, the Auction and any further negotiations or other actions whether or not they lead to the consummation of a transaction. Neither the Receiver nor EDC shall be liable to any person for any claim for brokerage commission, finder's fee or like payment in respect of the consummation of any transaction arising out of or in connection with the SISP. Any such claim shall be the sole liability of the parties that submitted such Successful Bid and shall not affect the consideration to be paid by the Successful Bidder under the applicable Successful Bid.
46. Notwithstanding anything contained herein, with the consent of EDC, the Receiver may at any time: (i) remove any portion of the Property and/or Business from the SISP, (ii) bring a motion to the Court to seek approval of a sale of, or investment in, all or part of the Property and/or Business whether or not such sale or investment is in accordance with the terms or timelines set out in the SISP, and (iii) establish further or other procedures for the SISP, provided that the Service List shall be advised of any material modification to these SISP Procedures.
47. The Receiver, with the prior written consent of EDC, and in accordance with these SISP Procedures, shall have the right to modify the SISP if, in its reasonable business judgment, such modification would enhance the process or better achieve the objectives of the SISP; provided that the Service List shall be advised of any material modification to these SISP Procedures.

6. **THIS COURT ORDERS** that if any Records are stored or otherwise contained on a computer or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. CONTINUATION OF SERVICES

13. **THIS COURT ORDERS** that all Persons having oral or written agreements with the Debtor or statutory or regulatory mandates for the supply of goods and/or services, including without limitation, all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services to the Debtor are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Receiver, and that the Receiver shall be entitled to the continued use of the Debtor’s current telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the date of this Order are paid by the Receiver in accordance with normal payment practices of the Debtor or such other practices as may be agreed upon by the supplier or service provider and the Receiver, or as may be ordered by this Court.

RECEIVER TO HOLD FUNDS

14. **THIS COURT ORDERS** that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the “**Post Receivership Accounts**”) and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further Order of this Court.

Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

17. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, “**Possession**”) of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the Ontario *Environmental Protection Act*, the *Ontario Water Resources Act*, or the Ontario *Occupational Health and Safety Act* and regulations thereunder (the “**Environmental Legislation**”), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

18. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

19. **THIS COURT ORDERS** that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "**Receiver's Charge**") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

20. **THIS COURT ORDERS** that the Receiver and its legal counsel shall pass its accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

21. **THIS COURT ORDERS** that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

22. **THIS COURT ORDERS** that the Receiver be at liberty and it is hereby empowered to borrow from Export Development Canada (“**EDC**”) by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$400,000 at any time, at a rate of 8% per annum, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures and the fees and disbursements of the Receiver and its counsel. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the “**First Receiver’s Borrowings Charge**”) in favour of EDC as security for the payment of the monies borrowed, together with interest and charges thereon in priority to all security interests, fees, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA. The First Receiver’s Borrowings Charge shall have the priority set out in paragraphs 24 and 25 herein.

23. **THIS COURT ORDERS** that the Receiver be at liberty and it is hereby empowered to borrow from 1001599818 Ontario Inc. Receiver by this Order, including interim expenditures and the fees and disbursements of the Receiver and its counsel. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the “**Second Receiver’s Borrowings Charge**”) in favour of the Stalking Horse Bidder as security for the payment of the monies borrowed, together with interest and charges thereon in priority to all security interests, fees, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA. The Second Receiver’s Borrowings Charge shall have the priority set out in paragraphs 24 and 25 herein.

24. **THIS COURT ORDERS** that the priorities of the Receiver’s Charge, First Receiver’s Borrowings Charge and Second Receiver’s Borrowings Charge, as among them, shall be as follows:

First – Receiver’s Charge;

Second – First Receiver’s Borrowings Charge; and

Third – Second Receiver’s Borrowings Charge.

25. **THIS COURT ORDERS** that, notwithstanding the priorities set out in paragraph 24 herein, in the event that (i) the Stalking Horse Bid is selected as or deemed to be the Successful Bid under the SISP approved pursuant to the Order of this Court dated May 13, 2026 (the “**SISP Order**”), and (ii) the Transaction contemplated by the Stalking Horse Bid does not close by reason of the breach or default of the Stalking Horse Bidder, then the Second Receiver’s Borrowings Charge shall be subordinated and postponed in all respects to the security granted to Export Development Canada by the Debtor as security for its obligations under that certain senior secured promissory note between the Debtor and EDC in the principal amount of US\$6,000,000. All

capitalized terms used in this paragraph which are otherwise undefined have the meanings set out in the SISP Order.

26. **THIS COURT ORDERS** that neither the First Receiver's Borrowings Charge, the Second Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

27. **THIS COURT ORDERS** that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "A" hereto (the "**Receiver's Certificates**") for any amount borrowed by it pursuant to this Order.

28. **THIS COURT ORDERS** that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.
